ANNUAL REPORT

OF THE

TOWN ACCOUNTANT

FOR THE

TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30, 2016

ANNUAL REPORT OF THE TOWN ACCOUNTANT

Fiscal Year July 1, 2015 to June 30, 2016

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I hereby submit the Annual Report of the Town Accountant for the fiscal year July 1, 2015 to June 30, 2016.

The Town Accountant position is described in Massachusetts General Laws (MGL) Chapter 41. Federal laws, Massachusetts laws, and Plainville by-laws further define the rules and regulations that guide the Town Accountant in carrying out the responsibilities of this position.

All invoices and payrolls presented during the fiscal year by the various departments were examined for accuracy and legal compliance prior to submission to the Board of Selectmen for approval and the Treasurer for disbursement of funds.

The Treasurer's cash was examined and found to be in order. Notices of the condition of appropriations and accounts were furnished, written and verbal to the various departments and boards during the fiscal year.

A combined Balance Sheet was submitted to the Department of Revenue's Division of Local Services/Bureau of Accounts for review. In accordance with Chapter 59, Section 23 of the Massachusetts General Laws, "Free Cash" as of July 1, 2016 was certified at \$1,780,537; and the Solid Waste Enterprise Fund Retained Earnings as of July 1, 2016 was certified at \$193,087.

The accounting records of the Town are maintained under the Uniform Municipal Accounting System as promulgated by the Director of Accounts. An audit of FY2016 activity is currently being concluded by the CPA firm, R.E. Brown & Company. Copies of audited financial statements are available for perusal and reference in my office and the Town Clerk's office.

The statements that follow will describe the town's financial activity in summary form. Please contact the Accounting office at the Town Hall if you are interested in additional information.

I would like to express my thanks to all Town officials and personnel as well as the residents for the cooperation they have extended to the accounting department. In addition, I wish to acknowledge the efforts of my assistant, Ann Marie Eisele, who continues to perform her duties at the highest of standards on behalf of the citizens of Plainville

Respectfully submitted,

Jean M. Sarno
Town Accountant

Ann Marie Eisele	Clerk/Affirmation Clerk	Unenrolled

The Town Clerk gave instructions to poll workers on the ImageCast voting system and their conduct regarding the election. The Town Clerk also explained the proper procedure for handling “inactive voters” and the filing of “Affirmation of Current and Continuous Residence” forms. Written instructions were handed out to all election workers and police officers.

Town Clerk, Ellen Robertson, Officer Steven Dehestani along with the Clerks from each precinct inspected each ballot box. The ballot boxes were found to be empty. The ImageCast electronic scanner was turned on in each precinct and the machine tapes verified a count of zero. The ballot box

keys were turned over to Officer Steven Desestani. The ballots were delivered to the precinct clerks at 6:45 A.M.

ANNUAL TOWN ELECTION – APRIL 4, 2016

The Town Clerk declared the polls officially open at 7:00 A.M. The Police Officers on duty during the day were Officer Stephen Fontes, Officer Wayne Cohen, Officer Steven Dehestani and Officer Michael Street. At 12:00 PM the ballot box keys were turned over to Officer Michael Street. At 4:00 PM the ballot box keys were turned over to Officer James Rockett.

The three precinct clerks processed absentee ballots. Ten (10) people voted by absentee ballot in precinct one, eleven (11) in precinct two and six (6) in precinct three. The absentee ballots go through the ImageCast scanner and into the ballot box the same way as the regular ballots and are included on the ballot box total.

The unusual winter weather on April 4th left 6" of snow. Voting was steady during the day despite the weather.

The Town Clerk officially closed the polls at 8:00 P.M. Precinct one ballot box had a reading of 239. Precinct two ballot box had a reading of 208 with two ballots in the auxiliary bin to be hand counted to bring the total to 210. Precinct three ballot box had a reading of 281. The ballot boxes were opened and the ballots removed for tallying in the presence of Officer Rockett, the wardens, clerks and observers. At 9:30 P.M. the election tally was completed. The total number of votes cast was 730 (12.5% of the 5811 registered voters). The Town Clerk read the results as listed below.

C. Location. Solar photovoltaic facilities shall be allowed as-of-right in the *IA – Special Industrial District and the IB — Limited Industrial District, subject to the issuance of a development permit for site plan review under §500-5 and §500-39 of this Code*, and by special permit issued by the Planning Board in the RA and RB — Single-Family Residential Districts.

And further, that non-substantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 45: To see if the Town will vote to amend the Plainville General Code §500 Attachment 2 “Town of Plainville Use Regulation Schedule (§500-19 of the Zoning Bylaw)” as follows:

Under the Use Group “Commercial Uses”, the item entitled “Motor vehicle, boat, and farm implement sales or rentals” in the Limited Industrial District (IB) change the designation from “O” (An excluded or prohibited use”) to “A¹⁸” (A use specifically authorized by special permit).

And to add a new footnote #18 under “Explanation of coded numbers appearing in the schedule above:” with the following new text:

18. No sales or rental uses shall occur on a lot with frontage and/or access on a state numbered route.

And to amend the definition of TRANSPORTATION TERMINAL under Plainville General Code §500-43 by adding the following italicized language:

“Premises for parking and/or servicing of more than three commercial vehicles or any number of over two-ton load capacity. *Premises used for “MOTOR VEHICLE, BOAT, AND FARM IMPLEMENT SALES OR RENTAL” shall not be considered TRANSPORTATION TERMINALS.*”

And further, that non-substantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 46: To see if the Town will vote to amend the chart entitled “**Intensity of Use Schedule (§500-17 of the Zoning Bylaw)**”, shown as **500 Attachment 1** in the bylaws, which reads as follows under the section “Minimum Yard Requirements”:

	RA	RB	RC	RD	CA	CB	CC	CD	IA	IB	IC	TCD
Front (feet) ^d	40	30	25	30	90	20	30	30 ^h	30	30	30	3 (1-story) 5 (2 story) 8 (3 story)

by amending the front setback in the CA zone from 90 to 75, to read as follows:

	RA	RB	RC	RD	CA	CB	CC	CD	IA	IB	IC	TCD
Front (feet) ^d	40	30	25	30	75 ^m	20	30	30 ^h	30	30	30	3 (1-story) 5 (2 story) 8 (3 story)

And by adding a footnote “m” under “Footnotes to Intensity of Use Schedule” that reads:

m. The front building setback in the CA zone may be reduced to 30 feet for a building with no parking between the street and the building, and to 60 feet for a building with a single row of parking between the street and the building, subject to the issuance of a Special Permit under §500-20 by the Planning Board that includes provisions to ensure that adequate safe connections are provided to abutting parcels, where needed, and that adequate landscaping is provided to buffer the site.

And further, that non-substantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 47: To see if the Town will vote to amend the Code of the Town of Plainville §500-16. **Lot requirements** by amending Section A(1) which reads as follows:

§500-16.A. (1) Lot width. The diameter of the largest circle that can be inscribed within the side lot lines at every point on a continuous line from the frontage of the lot to the front line of the principal building of the lot.

by adding the following:

(a) Cul-de-sac exception.

In the RA zoning district, on lots where one of the lot corners lies on the cul-de-sac of a dead end road, the lot width may be amended to be the lesser of either that distance listed in the “**Intensity of Use Schedule (§500-17 of the Zoning Bylaw)**”, shown as **500 Attachment 1** in the bylaws, or the chord distance connecting the end points of the two side lot lines where they intersect the roadway.

And further, that non-substantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 48: To see if the Town will vote to amend the Code of the Town of Plainville §500-20, **Section (G). Special conditions applicable to special permits** by amending the third sentence of the Special Conditions under Uses: Motor Vehicle, filling station, which reads as follows:

The Board of Appeals shall make a written determination that the proposed use will not create a traffic hazard because of its location.

by replacing it with:

The Planning Board shall make a written determination that the proposed use will not create a traffic hazard because of its location.

And further, that non-substantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

Dear Community Members,

We are pleased to present the Annual Performance Report of the Plainville Public Schools for the period July 1, 2015 through June 30, 2016. This report offers factual information that highlights the accomplishments and challenges of our elementary district in the following areas: district and school performance, district and school planning, student performance, staff performance, academic support and enrichment, and parent/community satisfaction.

District and School Performance

The mission of the Plainville Public Schools is to promote lifelong learning throughout the community and to prepare students to become responsible, contributing members of a changing society by providing a challenging, rigorous educational program.

- **English Language Arts**
In the area of writing 100% of kindergarten students met the district goal of improving their writing performance by 2 or more levels with an average increase of 3.1 levels per student. The district goal was also surpassed in grades 4-6 where 77% of the students improved their writing by 5 or more points with an average increase of 6.7 points per student. In the area of reading students in grades 3-6 achieved a growth percentile of 60.0 which is considered above average on the state assessment. The district improvement goal for special education students in grades 3-6 was also met. In addition students who received English as a second language support scored at the highest levels over the past four (4) years in the sub-areas of listening, reading, oral language, literacy and comprehension.
- **Mathematics**
In the area of mathematics students in grades 3-6 met the district proficiency goal and special education students in the same grades surpassed the district goal.
- **Class of 2016**
75% of the members of the Class of 2016 met or exceeded the criteria needed to demonstrate proficiency in English Language Arts and 68% of the class met or exceeded proficiency in the area of mathematics. Also, when comparing our grade 6 students to test takers across the state, our students demonstrated above average growth in English Language Arts and exemplary level growth in mathematics on the state assessment.
- **Accreditation**
The New England Association of Schools and Colleges reviewed and accepted the district's two (2) year progress report. They also voted to continue our accreditation in April 2016.

District and School Planning

The Plainville school district successfully implemented year five of its 5-year district plan. In doing so it continued to address the plan's four (4) major areas:

1. Assessment, Curriculum and Instruction;
2. Professional Development;
3. Parent and Community Involvement and Communication, and
4. Physical Facilities.

The district held two (2) successful Walk-to-School events with over 300 students, parents, and staff included on each walk.

As part of our four-year technology plan, we continued to move towards the use of mobile technology throughout the district. Approximately three hundred (300) new tablets and notebooks were added to classrooms, replacing aging desktops. New-age interactive display panels were introduced in each school and the strength of our wireless network was increased considerably with the addition of wireless hives and replacement switches.

The district also introduced a new student performance reporting tool (report card). Teachers representing all grade levels and Kate Campbell, Principal, Anna Ware Jackson Elementary School, created new standards-referenced progress reports and report cards. Parent and teacher input was collected via a survey tool and adjustments were made based upon the feedback collected. Parents and teachers feedback will also be collected next spring to ensure successful communication and further adjustments, if warranted, will be made.

Presenters from Science from Scientists worked with our fifth grade students throughout the year and over 50 employees from EMC spent 2 days at Jackson School connecting real life opportunities and job skills with students in grades kindergarten, one, two and three.

Plainville also held its second Career Fair Expo. Every grade five and six student attended three (3) presentations led by business men and women representing a wide range of occupations. What a special event this turned out to be.

Student Performance

At the Jackson School school-wide community meetings were held twice a week to promote school unity. Movement and music highlighted many meeting events and over the course of the year numerous students and staff received recognition for a variety of wonderful deeds.

Grade 5 held an Entrepreneur Fair. Students worked in pairs to identify services that would benefit the townspeople. Research, product development, and marketing were required elements of the project. The project was part of a financial literacy unit of study which culminated in a public display of amazing work.

A number of grade 6 students also served as peer mentors in the Special Olympics program last spring. After attending several after-school training sessions they accompanied the Special Olympians to their special event and all celebrated a great day of sportsmanship.

Student activities and work from Jackson and Wood Schools were also showcased during Plainville Pride Night. All who attended enjoyed a relaxing, enjoyable family evening.

Staff Performance

Fourteen (14) teacher teams participated in the district's goal-based Teacher Mentor Program and sixteen (16) staff members completed certification training as Safety Care Specialists. Twenty-eight (28) teachers also completed a workshop series on effective strategies for educating English language learners.

Plainville also joined a regional professional development group (Local Staff Development Opportunities) consisting of eleven (11) local districts. This enabled us to better meet the learning needs of our specialist (art, music, physical education world language, etc.) staff. Also, our professional learning partnership with King Philip, Norfolk and Wrentham continues to grow exponentially.

Academic Support and Enrichment

Before and after-school enrichment programs were offered twice during the school year. Well over four hundred (400) students (55% of the student population) participated in the various activities. Approximately one hundred and fifty (150) students received special education and/or English-as-a Second Language services.

Thirty-three (33) students also received social support through the district's Student Mentor Program. Two exciting events allowed teachers mentors and students to celebrate their special relationship publicly.

Parent/Community Satisfaction

Parents were invited to monthly Principal Coffee Hours throughout the year. The Special Education Parent Advisory Council and the Parent Teacher Organization (PTO) also met monthly. Senior volunteers, once again, held weekly cribbage matches and an end-of-year tournament while many parents and veterans attended special Veteran and Memorial Day assemblies and the annual Wood School Tea and Crumpet Show.

The Plainville Fire Department also continued to provide our students with fire prevention and safety information and all sixth grade students successfully completed the CPR certification course.

Family Math Nights were held in each school and were very well attended. The district also formed a family-school-community partnership team, comprised of parents, community members, staff, administrators and school committee. This group began the development of a framework to better engage and involve families and the community in supporting students, staff and families. Our across-the-street neighbor, Village Green, presented the district with a \$2,500.00 check as part of its Good Neighbor program. It also constructed a school garden for Jackson School. The funds will help support playground upgrades.

In closing, we would like to extend our thanks to the town of Plainville for its outstanding support. Plainville has a long history of supporting students, and we remain committed to provide each student with an excellent educational experience.

Respectfully submitted,

Amy Abrams Chair

KING PHILIP REGIONAL SCHOOL DISTRICT
Norfolk– Plainville – Wrentham
School Year
2015/2016

Superintendent's Report

It has been another eventful year in the King Philip Regional School District. The School Committee and I would like to thank the communities for the continued support they show for our school district and children. King Philip continues to work hard to ensure that our students meet with success both in and out of the classroom. King Philip Regional High School is a member of the AP Honor Roll for the third year in a row.

King Philip Regional School District has an average 99.8% of our students progressing towards proficiency in English Language Arts, 97.3% in mathematics and 98.8% in science. Our average SAT score on the reading portion of the exam was 541, the average score on the writing portion of the exam was 535, and the average score on the math portion of the exam was 546. King Philip's graduation rate was 97%. Also, 87% of our students go onto higher education, with a vast majority entering science, technology, engineering or math areas. In collaboration with our three towns, King Philip continues to work at improving student outcomes while working with our fiscal committees to ensure appropriate allocation of your tax dollars.

In 2015-2016 students in grades, 10 through 12 took 586 AP exams, and 80% of these students scored 3's or better. All students in the King Philip Regional School District by the time they have graduated have completed credits reflective of the State's established Mass Core which is a rigorous set of classes required for matriculation into state schools of higher education. Additionally, the district's student's successes in academic achievement can also be measured by their competitiveness for acceptance to post-graduate institutions of learning.

Community service initiatives remain a focus of King Philip High School demonstrating our commitment toward civic responsibility. KP Cares is a service organization that spans grades 9-12, where students give back to our students, families and community members who are struggling. Our Leo Club is the largest Leo Club in the world with well over 250 members at the high school level. KP Cares in association with all clubs and athletics played host to Relay for Life for the second year in a row. This year these groups honored Lt. George Labonte at this event and their Fight Back Festival.

King Philip Middle School

For the first time ever, Edgar Allan Poe (played by Campbell Harmon) made a visit to King Philip this October. Christine Longden headed up this effort and students were enthralled by the gruesome tales, "The Tell-Tale Heart" and "The Black Cat," as well as his likeness to the real Master of Suspense. It was a memorable and mesmerizing day for our 8th graders! In the spring, our Grade 8 students were fortunate to have had Mrs. Janet Applefield return to King Philip Middle School to talk to them in an assembly led by Susan Stoller. Our students listened intently to her personal story about how she survived the Holocaust and had an opportunity to ask questions.

Mrs. Denise Ryan planned a successful field trip to the Boston Museum of Science in November of this year. The trip included an Omni Theater presentation on Ancient Greece, the Hall of Human Life, the Lightening! Exhibition, as well as a variety of hands-on activities and learning experiences.

Mary Beth Runyon and Lynn Bois presented at a Regional Conference for the National Council of Teachers of Mathematics (NCTM) in Atlantic City, NJ to a completed full room of fellow educators and administrators!

The Science Department had two teams travel to MIT for the annual science trivia contest during April vacation. We applaud the more than 40 students who took time out after school to try out for one of the coveted 10 spots on the always competitive King Philip teams. Both teams competed against other middle school teams and won first and second place. The winning team, the Nano Know it Alls consisted of Andrew Pham, Jacob Brawley, Virginia May, Emily Lengel and Nick Sorel. The second place team, the Smarticle Particles, consisted of Harry Brown, Thomas Crowley, Thomas Ciavattone, Leah Smith, and Matt Stetter. The Nano Know it Alls will be traveled to Boston for lunch with Nobel Laureate, Dr. Jerome Friedman on June 14, 2016. In six years of competition, this is the fourth time a KPMS team has earned the privilege of dining with a Nobel Laureate. The Smarticle Particles were the recipients of MIT sweatshirts. We are incredibly proud of these teams as well as all the students that took the time to try out.

Dr. Michele Austin has been selected as the KPTA Teacher of the Year nominated and voted on by her colleagues at both the middle and high school. She was honored at the NCTA awards banquet on Tuesday, June 7, 2016.

The STEM curriculum is continually evolving with changes in standards and technologies. Grade seven STEM students completed several units through engineering challenges and computer programs. A highlight of this year's program was the incorporation of "Future Goals", an online STEM program. The National Hockey League (NHL) and the National Hockey League Players' Association (NHLPA) and the Boston Bruins partnered to launch the Future Goals program, a North-American initiative that provides students with science, technology, engineering and math (STEM) education opportunities. The program brings cutting-edge, digital learning opportunities into classrooms at no cost, and prepares today's students to be the innovators and leaders of tomorrow.

King Philip Middle School - Co-Curricular and Extra-Curricular Activities

The Science Club has had a successful year. Fifty students meet monthly after school to participate in various activities including fooling your senses, Halloween science, cow heart dissections, Cartesian divers, polymer science, electricity, and paper chromatography.

Mr. Sean Jones and Ms. Lisa McIntyre continued to co-advise the KPMS Student Ambassadors this year. The year began by welcoming more than thirty students to the program. The new Student Ambassadors worked to promote the first of their projects during the year, World Kindness Week, which took place in mid-November. World Kindness week kicked off with a spirit day inspiring all community members to promote kindness throughout the week by wearing purple. The entire building was flooded with purple on this day! From there, World Kindness Week included a peer-to-peer kindness recognition program, a kindness video series played in the S.A.T. period throughout the week, an infusion of kindness quotes posted throughout the building, as well as a co-sponsored teacher-student kindness recognition program with adjustment counselor, Ms. Leah Barry.

The Student Ambassadors expanded upon an initiative started by Ms. Lisa McIntyre and students from the previous year by taking a number of trips to Maples Rehabilitation Center in Wrentham, Massachusetts throughout the year. During this time Student Ambassadors socialized, crafted, and sang with the residents of the center, and an enjoyable time was had by all.

The Student Ambassadors continued their involvement in Project 351, a statewide program that empowers teens to make change and progress within their community. Project 351 partners with the charity Cradles to Crayons, an organization that works to provide all school-age students with clothing and the necessities for success in school. Eighth graders Shaeleigh Boynton and Kyrillos Elyass represented KPMS and the Student Ambassadors by being the Project 351 ambassadors for KPMS and the communities of Wrentham and Plainville. To support Shaeleigh and Kyrillos in their endeavor to create a spring service event to collect clothing and other goods for Cradles to Crayons, the Student

Ambassadors held their second annual dodgeball tournament at the beginning of April. As part of the dodgeball tournament, the Student Ambassadors also held a very successful raffle that engaged both the student body and the faculty and staff of KPMS. The Student Ambassadors approached and partnered with many community businesses who graciously donated a number of items and gift cards that could be raffled off during the dodgeball tournament as a way to generate excitement for the tournament. Over 150 students participated in the tournament and many other students spectated and supported their classmates during the event. Overall, the event was a tremendous success, with many clothing items collected and \$1,317.69 being raised for Cradles to Crayons!

The KPMS Student Ambassadors concluded their year by hosting a luncheon for some of KPMS's other unsung heroes on the afternoon of Thursday, June 9th. The KPMS Student Ambassadors recognized the support, hard work, and effort of the KPMS secretaries, bus drivers, custodians, and tech department by providing lunch as well as small tokens of their appreciation on this afternoon. Overall, the Student Ambassadors had a successful year of growth and look forward to continue growing next year.

The Friday Morning Video Announcements Club – co-advised by Mrs. Allison Susi and media arts teacher Mr. Dan Allen – continued to engage the wider King Philip community by creating weekly video highlights of all of the happenings of KPMS as well general community announcements with a dedicated crew of Announcement Club members every Wednesday afternoon.

Continued this year was the ability for parents to view the announcements from home. Students from Announcements Club and Media Arts Classes filmed and edited the Friday Video Announcements to be shown to the entire school population each week. Students filmed and edited video for many school activities and projects for all academic areas, to be used in class as instructional video or as a highlight or culminating activity for the program.

Students from Student Council and Media Arts Classes filmed and edited a new KPMS Student Orientation Video to be shown to all incoming 6th graders and their parents during school visits from all three sending towns.

The Student Council once again held an Amazing Race and pep rally the day before Thanksgiving. The KPMS Spirit Model winners were Ms. Planeta's homeroom for 7th grade and Mr. Holland's homeroom for 8th grade. The Amazing Race winners were Ms. Russell's homeroom for 7th Grade and Mr. Jones' homeroom for 8th Grade. The Science Department won the Food Drive which benefits needy families in our communities as well as the 3 different town food pantries.

The following teachers were honored at the Pep Rally: Mrs. Ryan, Mrs. Longden, Mrs. Bond, Mrs. Adams and Mrs. Spinelli. In addition, Mr. Jacobsen won the Unsung Hero award.

The members of the 2015-2016 Student Council were:

Grade 7: Sam Brady, Marin Cormier, Courtney Imbaro, Yousef Lotfi, Makenzie Manning, Neha Sunkara, and Aly Wood.

Grade 8: Sam Callanan, Grace Ely, Ryan Halliday, Winthrop Richardson, Leah Smith, Avery Snead, John Veno.

Other Student Council activities included a Coat Drive and Candy Gram sales to purchase gift cards for families in need during the holidays. Grade 7 students participated in the St. Jude's Math-a-thon. Previous years we have collected over \$112,000 for patients of St. Jude's Children's Research Hospital to help families and children suffering from cancer and other childhood illnesses.

Susan Hall wrote and received a grant to purchase a 3D printer. The grant was funded by Merck, a pharmaceutical company with offices in Milford, MA who support STEM education initiatives. Her students are learning 3D modeling and will print their creations on the new printer. Additionally, she is working with the Boston Red Sox on a STEM Day at Fenway Park.

Middle school students presented performances of *High School Musical Jr.* to enthusiastic audiences in the sold-out middle school auditorium. The KPMS show featured a cast of talented 7th and 8th graders: Troy Bolton - Aaron Wilkinson, Gabriella Montez - Ali Buchanan, Sharpay Evans - Abbey Citarell, Ryan Evans - Ty Colby, Coach Bolton - Yousef Lotfi, Mrs. Darbus - Elizabeth Cree Gee, Zeke Baylor - Cam Desmond, Taylor McKessie - Sarah Galetta, Kelsi Nielsen - Maura Johnston, Martha Cox - Mary Kate McDonald, Chad Danforth - Diego Cordero, Jack Scott - Zachary Ball. Ripper - Ali Ray, Jane - Sofia Delveccio, Susan - Grace Dalton, Cathy - Liz Kenerson, Cyndra - Colleen Campbell, Ms. Tenny - Julia Lefebvre, Karaoke MC - Jaclyn Anderson, Mongo - Camryn Buckley, Kat - Roxy Hepburn,

Cheerleaders: Alli Beltramini, Emma Brooks, Kiryn Denmead, Ally Garven, Rebecca Ireland, Erica Maxon, Sumayah Mohamed, Sarah McCarty, Annie Jean-Claude, Isabelle MacMeans.

Basketball Players: Declan Derfler-Murphy, Peter Tuohy, Jeff Bovaird.

Brainiacs: Lilia Angelone, Kaylee Burke, Julianne Butts, Nicole Coughlan, Erin Cox, Katherine Grabner, Roxy Hepburn, Noelle Kennedy, Abigail Meader, Brianna Murphy, Laura Schollmeyer, Mia Valencia.

Skaters: Camryn Buckley, Maiya Cloutier, Annie D'Ambrosia, Gabby Heirl, Marion Linde, Brooke Lynch, Alex Lydon, Shayna Mango, Haley Medeiros, Elisabeth Merritt, Lauren Nee, Ally Norton, Keerthana Senthil-Kumar.

Thespians: Caroline Aaron, Jaclyn Anderson, Emma Brooks, Charlotte Colella, Madeline Crowley, Grace Gable, Brianna Murphy.

Tech Crew: Erin Cahoon, Holly Clement, Kayla Colon, Kate Crump, Jonah Fiske, Gianna Gifun, Rob Hjort, Julianna Hoitt, Emily Lengel, Emily McDonough, Ezra Park, Graham Randall, Aidan Shea, Molly Smith, Evan Starvis, Kate Tardanico, Annika Yanoshak.

Production Staff: Director/Costumes/Publicity - Jamie Osborne, Assistant Director/Technical Coordinator - Sean Jones, Music Director - Ryan DeWolfe, Choreography - Lauren Duffy, High School Tech Managers - Josie Talerma, Sophia Maglio, Philip Kaelbling, Michael Sweetman, KPMS Stage Managers - Emily McDonough and Jonah Fiske, Sound - Chris Currier, Lights - Nicholas Sorel, Make-up - Sarah Butts and Robert Giannelli, Consultant - Sean Leehan

The show was directed by Language Arts instructor, Jamie Osborne, who has been involved with the drama program since its inception in 2005. Music direction was coordinated by general music and choral instructor, Ryan DeWolfe. King Philip alumna and teachers' assistant Lauren Duffy has created choreography for the show and history teacher Sean Jones coordinated costumes.

A very special thank you to The Rylee Fund, who endowed the drama club with grants; allowing us to upgrade our mics & acquire our first spotlight! We dedicate our new spotlight in memory of Rylee Collins, former KPMS drama club student, so that all aspiring thespians have the opportunity to shine on the KPMS stage! Special thanks to the Eagle Brook Saloon for donating pizza to feed our hungry cast during the dress rehearsal. Additional thanks to all the KP parents & family members, who supported our efforts & volunteered their time throughout this High School Musical journey.

The King Philip Middle School Band directed by Mr. Michael Keough had nine students accepted to Southeastern Massachusetts Junior District Festival: Matthew Stetter - guitar; Madison Soares, Melissa Gibney, Alexis Zitomer - flute; Daniel Sammarco - clarinet; John Cannon, Jonathan Machado - tuba; Thomas Crowley - horn; Lisette van den Boogaard - trumpet. The King Philip Marching Band won the US Bands Division 3 National Championship including caption awards for best percussion, and music. We earned three gold medals at the MICCA Concert Festival for the 7th Grade Band, 8th Grade Band and Wind Ensemble. Jazz Ensemble clinics were held with George Murphy (Foxboro Public Schools, retired) and Gary Smulyan (<http://garysmulyan.com/>). Wind Ensemble clinics with Benjamin Tileston - percussion; Susan Goodwin - low brass; Anne Dorgan - trumpet; Kristyn Moore - flute; Tracy Salazar - clarinet; Andrew Loretz - saxophone; Adam Gruschow - bassoon were also held and funded by the King Philip Music Association. Clinics for all band students were also held and funded by the KPMA by Ben Tileston - percussion; Steven Yavarow - clarinet and saxophone; Kristyn Moore - flute; George Murphy - brass. Two students participate in MICCA Solo and Ensemble Festival. Sophia Smith, Neha Sunkara - flute.

Mr. Keough guest conducted the MMEA Western District Junior Concert Band and he also completed a master's degree in Instrumental Conducting from the Sam Houston State University.

The after-school Cross Country team finished the fall season undefeated. At the State Championship Invitational held in Devens, MA, Michael Griffin placed an impressive 5th overall in the eighth grade boy's race. Bryce Dalzell finished 6th overall in the seventh grade boy's race.

The ever-popular Intramural Volleyball Program attracted 180 students this year. The Champions team for this year were: Alex Fritz, Shealyn Clifford, Nate Farkash, Cade Patrick, Ashleigh Bowen and Kiley Sullivan. The Physical Education helped to host a number of school fundraisers including 3-vs-3 tournament to benefit Jam Quest, a dodgeball tournament for Cradles to Crayons and a Pickle ball tournament to benefit Multiple Sclerosis. A seventh grade student named Evan Paiva created the pickleball tournament to benefit Multiple Sclerosis raising \$650.

The Middle School has been granted permission from the State Division of Fish and Wildlife to construct a nine-hole Disc Golf Course on School property. It was completed during the summer by one of our PE teachers, Steve Myette.

Middle and High School Staff Recognitions

We are continuing our commitment to building teacher leaders and encourage staff to take on lead roles in professional organizations and we encourage our staff, students, and families to recognize quality teaching. Howard Bean was recognized as the Most Valuable Educator in September. Conor Jacobsen was recognized as an outstanding educator by Barnes and Noble based on essays written by his students. Jamie Wilfert and Susan Hall were invited to present on the Use of Big Books as a Form of Assessment at the New England League of Middle School's Annual Conference. Mary Beth Runyon and Lynn Smith were invited to present at the National Council of Teachers of Mathematics Conference. Dr. Michelle Austin was selected as the Norfolk County Teacher of the Year. Michelle Palladini won the Top Award from Massachusetts Association of Women in Law Enforcement. Michael Keough was invited to conduct the Massachusetts Music Educator Western Division District Junior Concert Band. At the High School, Ashley Nelson served as presenter at the American Choral Director's Association Eastern Division Conference as well as a panelist at the Massachusetts Music Educators State Conference. Doris Brennan was selected as an Amgem Biotechnology educator with Congressman Kennedy visiting KPHS as part of the experience. Ann Lambert is responsible for the creation of a video based lesson selected for inclusion on the MIT Blossoms Initiative website which hosts science videos from around the world. Loreen Meyer was selected as a presenter for the MA Association of Biology Teachers Association. Both the High School and the Middle School have a

mechanism for building based staff recognition where staff identify a key individual that has made a substantial contribution to students and their learning and/or support of professional colleagues.

Middle School Staff Changes

The following staff members were either new or in a new position at the middle school in 2015-2016, Mrs. Bridget Murphy (Special Education), Mr. Kory Kotouch (History); Mr. Alex McKeen (Math), Mrs. Linda Rondeau (Math), Ms. Molly McGovern Math/Special Education), Ms. Casey Planeta (Special Education), Mr. Josh Cooney (Health); Mrs. Corey Flynn (Main Office Secretary)

Teacher Assistants - Ms. Caitlin Chase, Mrs. Kelly Loewen, Mrs. Denise Leonard, Mrs. Kristen Negro, Ms. Shana Goldstein, Ms. Casey Finch, and Mrs. Janet Davis

King Philip Regional High School - Student Academic Achievements

The students at King Philip Regional High School have been outstanding in their academic accomplishments! 79% of our 2016 graduating class went on to four-year colleges, and another 8% went on to attend two-year colleges. Our students in the Class of 2016 are attending, Cornell University, Tufts University, Penn State, Northeastern University, and Wentworth Institute of Technology just to name a few. The following students were named Commended Students by the National Merit Scholarship Program; Isabel Allardi, Carter Ball, Michaela Downey, Jason Fitch, Ryan Guenette, Catherine Hoyer, Jason King, Ian Light, William Linde, Crosby MacLean, Brenna Murphy, Justin Rohan, Garrett Schneider, Lily Winder, Nichole Zalewski. These students placed among the top five percent of more than 1.5 million students that took the qualifying test!

The Class of 2016 was proud to name Ryan Guenette as Valedictorian and Brenna Murphy as our Salutatorian. Ryan left for Bentley and Brenna for Providence College this fall. We sent two deserving students, Jeffrey Yatshuashi and Jake Maguire, to represent King Philip at the 2016 HOBY (Hugh O'Brian Youth) Leadership Seminar. HOBY is the nation's foremost youth leadership program. Students spend a week at Stonehill College and dive into developing change leadership skills. These two sophomores selected demonstrated leadership, outstanding skills in communication, problem-solving and decision-making abilities.

Ninety-nine members of the senior class received the John and Abigail Adams Scholarship Award! The John and Abigail Adams Scholarship Award is a non-need based undergraduate tuition waiver to attract more high-performing students to Massachusetts public higher education. These students scored advanced on at least one subtest and advanced or proficient on the second subtest. Additionally, they must rank in the top 25% of students in our district based on their combined MCAS scores.

Our phenomenal Art Department represents strongly at the Scholastic Art Contest Kylie Desey, Rachel Stephens and Emily Whitehead were Silver Key winners, and Sarah Durno, James Gately, Lydia Lee, Rachel Mancour, Isobel McCue and Rachel Stephens were awarded honorable mentions. Chase Lydon and Sarah Durno were selected as Art All State participants for their self-portraits an assignment our students find reflective and challenging.

At the 2015 International Career Development Conference, held in Nashville, TN, KP DECA achieved international recognition again. Three of KP DECA's teams "Earned Glass," which means they placed in the top three in their categories. Ashley Guertin and Courtney Kelleher took first place in the financial literacy promotion category, Addie Lotito and Emalee Buckley were awarded the third place trophy in the independent business plan category while Tess McGory singlehandedly won third place in the franchise business plan category.

KPTV swept the 2016 National Student Television Academy of Arts and Sciences Emmy Awards! Kelly Lewicki and Connor Canning accepted their National Student Television Emmy Award at Emerson College. Kelly won Best Video Essay with her Boston Marathon "We Come Running" video and Connor won two Emmy Awards for his editing and special effects reels.

King Philip Regional High School - Co-Curricular and Extra-Curricular Activities

Installation of the Warrior Turf Field began July 1, 2015, and was finished by the second week of September. Girls Soccer had the honor of playing the very first game on our new field! Baseball, Girls, and Boys swimming all won the Kelly-Rex Division of the Hockomock League. Our Lady Warrior Softball Team behind the incredible pitching of Kali Magane won another Division 1 State Championship. Kali left in the fall to continue playing softball for Boston University.

King Philip is rich in programs that focus on giving back to others. KP Cares is a club that is active all year long with events such as Luminary Night, White Out Cancer and "Chop to Stop/Shave to Save." Chop to Stop/Shave to Save is a great event; KP Cares invited volunteers from local hair salons to set up in the cafeteria and shave heads or cut participants hair; each of these events donated all raised funds to the Jimmy Fund, local families battling cancer and raising childhood cancer awareness. KP Cares hosts Operation Dress Up by reaching out to families for donations of prom gowns, shoes and accessories. Volunteers offer to tailor the gowns, and the library becomes a boutique for a night of shopping for those who need financial help with prom attire. These are just a few of the many, many things KP Cares brings to the KP family.

At the annual meeting of the Massachusetts Association of Student Councils, King Philip was awarded designation of Gold Council of Excellence, one of the highest awards a council can achieve! Our award winning Student Council is involved in many exciting happenings! Their focus is on enhancing our school community and the KP Community as a whole. Events such as Spooktacular and the Easter Bunny Breakfast fill our high school with young children that will eventually roam our halls. In their joint Regional Talent 4, A Cause even held at Oliver Ames High School our very own Caroline Watson won first place while Tailon Price, also a member of the class of 2019 won fourth place at this competition.

King Philip Model UN in only its second season represented King Philip High School well. Matt Rochfort, Evan Bangs, Shea Mitchell and Bill Whitney all placed third in their individual committees. KP Debate club had a winning season under the advisement of Ms. Jennifer McCann-Black. Colin Greene was named debate champion for the 2015-2016 season.

KP Drama and GAPS' is always entertaining! Their holiday production of "TV: A Holiday Musical" our first musical production at the high school level was a huge success! Once again the community spirit of KP shows up as the proceeds from this popular show went to the tri-town food pantries. This production raised \$2,250.00 bringing the total amount raised, by the collective performances of KP Drama & Gaps', to \$16,250.00! In the springtime KP Drama and GAPS presented Rosencrantz & Guildenstern Are Dead. Taking the lead in the springtime production were Zach Garriety and Rachel Raposa. Two KP GAPS students were prize winners at the 2015 New England Theatre Conference Theatre Olympiad. Senior Lily Winer was awarded the silver medal for her scenic design for a modern play entitled "Three Monkeys." Senior Eli Lavin was awarded the gold medal for his stage management portfolio.

Our music program excels in all endeavors! "The Pride and the Passion" competed in the US Bands Northeast Regional and National Marching Band Competitions. Their production, "Blink of an Eye" won the US Bands Division III New England Championship, and the US Bands Division III National Championship. Our band was a MICCA State Gold Medalist. Our Jazz Band was named MAJE State Gold Medalist. Winter percussion did not disappoint as they claimed first place at WGI Trumbell Regionals NESBA New England finals and Mac finals in Stamford, CT. as well.

High School Staff Changes

The high school added several new teachers; Ashley Nelson, Choral Music, Jamie Fleming, English Language Arts, Emily Tkowski and Shawn Geary to the Math Department, Kristen Das, Kourtney Wilder and Matt Gorr to the Science Department, Vanessa Levesque to World Language and Cheryl Rowe as the Instructional Technology Specialist.

King Philip Regional School Committee

The King Philip Regional School Committee has continued to work with the three member towns of Norfolk, Plainville and Wrentham, to develop a responsible budget while offering King Philip Regional School District students the best possible educational and extracurricular programs. The School Committee has remained sensitive to local budget constraints and continues to be transparent with its budget and with the school district's requirements. On behalf of the School Committee, thank you for your continued support as we strive to provide our young people with a solid foundation for success in their future endeavors.

Sincerely,

A handwritten signature in cursive script, reading "Elizabeth Zielinski".

King Philip Regional School District

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT ANNUAL REPORT

The School Committee reorganized in July of 2015, and elected Steven Trask from Franklin as its Chair, Donna Cabibbo from Millis as its Vice Chair, and Robert Guthrie from North Attleboro as its Secretary. Monthly meetings continued to be held on the third Wednesday of each month at the school. Subcommittee meetings were held as needed.

Tri-County's secondary program, postsecondary program and continuing education program experienced continued enrollment growth. The ongoing increase in numbers is recognition of our successful three-fold mission: high vocational standards to train the workforce; high academic standards to prepare students for college; and high community service standards to prepare good citizens. These standards are visible in the achievements of our students and in their services throughout our member towns.

The vocational and civic skills of Tri-County students are extremely useful in these stressful economic times. Plumbing, carpentry, electrical and other programs work on public sector buildings and projects to save our district towns' labor costs. The vocational skills of our students can also be witnessed by a visit to Tri-County to take advantage of services such as Culinary Arts, Cosmetology, Auto Collision and Auto Technology.

Their citizenship skills are also to be observed throughout the member towns. Look for them as they undertake projects to improve their local community oftentimes utilizing skills learned in their respective program majors here at Tri-County RVTHS.

Tri-County hosted many key events attended by local and state government representatives including the Lieutenant Governor, Secretary of Education, senators and representatives. These events addressed such vital topics as the importance of vocational education, the skilled labor shortage, Mass Skills Capital Grant Program, and Mass Insight AP Initiative, among others.

Graduation

Two hundred eighteen students graduated in an indoor afternoon ceremony on Sunday, June 5, 2016. Superintendent-Director Stephen Dockray presided over the ceremony. School Committee Chair, Steven Trask, and School Committee Vice Chair, Donna Cabibbo, presented diplomas to the graduates. Scott O'Brien, Head of Guidance, presented scholarships and awards to deserving seniors. The grand total of scholarships and awards for the class of 2016 was \$1,012,450.

Guidance & Special Education Services

September 8, 2015, Tri-County welcomed 1,007 students to the new school year. The respective number of students from member towns was as follows: Franklin – 196, Medfield – 9, Medway – 67, Millis – 26, Norfolk – 37, North Attleborough – 333, Plainville – 81, Seekonk – 73, Sherborn – 0, Walpole – 49, and Wrentham – 49.

During the 2015-2016 school year, the Guidance department continued its programs to provide information to students, parents, sending schools and district communities. The Guidance department provided counseling for students in career pathways and postsecondary education. Tri-County

continues to work with the Department of Elementary and Secondary Education on its development of *Your Plan For The Future*, a no-cost, comprehensive college and career planning portal designed to help Massachusetts students manage their educational and career pathways.

In 2016 Tri-County was once again named to the Circle of Champions by *Your Plan For The Future*. Tri-County earned this distinction by performing in the top ten percent of Massachusetts high schools that engaged students and parents through *Your Plan For The Future* during the 2015-16 school year. Tri-County's counselors, faculty, and staff were recognized for helping students become better prepared for college and careers.

Tri-County hosted Career Days for Grade 8 students from the regional districts. The Guidance department, with assistance of personnel from the Massachusetts Educational Financing Authority (MEFA), presented programs on college preparation. In addition, the Guidance department hosted a very successful evening College Fair.

The Guidance department organized and implemented SAT and ASVAB testing.

The Special Education department focused its efforts on Transition Planning and the development of Transition goals in IEPs. Students with IEPs have goals written that address deficits as they relate to College and Career Readiness. Employability skills, as defined by the Massachusetts Workplace Learning Plan, are the same skills that students need to be successful in any post-secondary environment. The department continued to work on developing strong, measureable, and attainable IEP goals that reflect the needs of individual students. As the school has seen an increase in school anxiety and significant mental health issues, the entire Student Services department redoubled its efforts to develop consistent practices for transition from home and hospital and to create even more comprehensive protocols for reintegration into both the academic and vocational programs.

Academics

Tri-County Regional Vocational Technical High School continues to earn wide-spread recognition for academic and vocational success by combining rigorous and challenging academic courses with modern vocational studies. Implementation of the newest technology as well as innovative vocational technical programs ensures student success. Their success is measured in the classroom and ultimately in a chosen career path whether it is higher education, entrance in their vocational trade or military careers.

The class of 2018 scored exceptionally well in all three areas of MCAS, continuing to keep Tri-County rated as a Level I school. In ELA, 96% of students scored Proficient/Advanced. In Mathematics, 83% of students scored Proficient/Advanced. In Biology, 81% of students scored Proficient/Advanced. Tri-County's school percentile increased to 63% this year, from our 57% overall State performance rating from last year.

All students completed the Mass Core Curriculum requirement which is the Department of Elementary and Secondary Education recommended academic program for college and career readiness.

Sixty-five seniors from the Class of 2016 were awarded John and Abigail Adams Scholarships. These scholarships are awarded to students who achieve a minimum of two proficient and one advanced score on the Grade 10 English Language Arts, Mathematics, and Biology MCAS exams. Student scores must be in the top 25% of tested students.

Tri-County continued its implementation of the *itsLearning* platform this year. Teachers have embraced this learning platform, using it for lessons, power point slides, class notes, embedding video, remediation links, textbook links, uploading worksheets, collecting homework, online polls, data

collection, submitting work and taking exams. All academic and many of our vocational teachers have been trained and are using *itsLearning* on a regular basis. Academic standards are all on *itsLearning* and can be used for both formative and summative assessments.

Tri-County purchased one hundred twenty-five additional Chromebooks this year for use in the academic classrooms. Over the course of the year, Chromebook use increased and students commented on how much they enjoyed using this additional technology in their classes. There are multiple Chromebook carts placed in all core departments: Science, Social Studies, Math, and English.

This year, Tri-County has partnered with Mass Insights to not only increase our AP offerings in the future, but to also improve how we teach both our AP and pre-AP courses. Several of our teachers attended pre-AP strategies workshops in an effort to improve vertical teaming to attract more students to enroll and be successful in our AP programs. Our hope is to improve our qualifying scores on AP exams starting in the 2016 – 2017 school year, through our partnership with Mass Insights. Tri-County offers AP Physics 1, AP Calculus (AB), AP Language and Composition, AP Literature and Composition, AP Statistics, and AP Computer Science Principles.

In an effort to successfully transition to the new Common Core State Standards (CCSS), Tri-County continues its work at rewriting curriculum using the Understanding by Design (UbD) model. Curriculum Leaders met this spring to review different departments' work, make a plan for the summer, and work cohesively to ensure all Tri-County curriculum would follow the same format and overarching goals. Teachers are writing units based on Curriculum Maps in an effort to continue their transition to CCSS.

Finally, Tri-County continued its leadership efforts within the vocational math community by hosting the Nineteenth Annual Vocational Mathematics Competition with over 25 teams competing from vocational schools from throughout the State. Topics covered are Algebra I, Geometry, Algebra II, and Related Technical Math. Tri-County's Mathematics teams consisted of freshmen and sophomores and placed a respectable 2nd, 10th, and 17th place in the competition.

Vocational Technical Programs

Students in the seventeen Vocational Technical Programs experienced many successes, both in their individual programs and school wide. All grade 10 students achieved their OSHA 10 Hour Safety credential. The training included interactive and specialized curriculum for both general industry and construction trades.

Students in Early Education, Dental Assisting, Culinary Arts, Medical Careers, Legal and Protective Services and the Construction Craft Laborers received American Red Cross CPR and First Aid Training. All students in grades 10 – 12 in those programs are now certified and able to work in companies requiring their employees to have these credentials.

The Tri-County Robotics Team, named "Tri-Force", was busy this year. They began preparing for the FIRST Robotics Regional Competition at WPI in January. They qualified to then move on to compete at the FIRST Robotics State Competition in March.

Finally, Tri-County SkillsUSA achieved much success as twelve secondary students traveled to Louisville, Kentucky in June to compete at the national SkillsUSA Competition. All Tri-County competitors placed in the top ten in their categories of competition. This was the first year that a grade 9 student competed at the National SkillsUSA Conference – and she came home with a seventh place finish!

Auto Collision Repair: The Auto Collision Repair Program continued to be a NATEF Accredited program. With the NATEF accreditation, our students are able to take advantage of the rich curriculum offered to achieve Certificates of Achievement in the NATEF Standards. All grade 11 and 12 students achieved the ASE Welding Certification. Grade 12 students achieved some of the ASE Auto Collision Repair student certifications. Tri-County students practice using water based paint and other environmentally safe materials to meet the most current industry standards. Students in this program continued to serve the community needs and the Tri-County School District by repairing and restoring vehicles under the supervision of their instructors. Students also participated in field trips to emphasize the diverse career opportunities available upon graduation from the program.

Auto Technology: Students in the Auto Technology program competed in the AYES Competition last November. Students in grades 11 and 12 performed well in the ASE student certification exams that were administered in May. All students who took the exams achieved ASE Certification in at least 6 of 9 categories. The program continues to have Master Automobile Service Technology Accreditation through NATEF. Students practice their skills on state of the art diagnostic equipment. Students in the Auto Technology program experience a real world application of the skills by diagnosing and repairing school vehicles, staff automobiles and cars and trucks owned by members of our eleven town district.

Carpentry: Under the supervision of the Carpentry teachers, students in the program worked at several community projects this past year. In the town of Medfield, they completed construction of a large storage garage at a senior housing complex. They built picnic tables for the WWII Pool in North Attleboro. Carpentry students constructed 24 lockers for the Sherborn Fire Department. Students also created Chromebook desks for an elementary school in Medway. Graduates from the Carpentry program with a GPA of at least 3.0 and who have met or exceeded the standards for graduation from a Chapter 74 program attained pre-apprenticeship cards through the Massachusetts Division of Apprenticeship Training.

Computer Information Systems: The students in the Computer Information Systems program are being trained in the Cisco Networking Academy curriculum. All students in the program are able to take CISCO exams and attain certifications in many aspects of the curriculum. All grade 11 students take AP Computer Science as part of the CIS curriculum. A team of students participated in the Cyber Patriot Competition with other students around the state and achieved the gold standard for their region. Students in this program work closely with the IT department at Tri-County to update the school's website.

Construction Craft Laborer: Students in this program are trained in all aspects of large construction, including highway construction. Students in grade 11 received Hazard Communication training which led to 100% of the class achieving a certificate of successful completion. All grade 11 students received CPR and First Aid training when they participated in the Department of Transportation sponsored Construction Career Academy. During this school year, under the supervision of their teacher, the CCL students framed and poured a concrete pad for the Franklin Recreation Department.

Cosmetology: The Cosmetology Program continues to operate a full service hair and nail salon for the members of the eleven towns in the Tri-County School District. Senior citizen groups from the towns patronize the salon several times during the school year. The students also performed community service by assisting at the Miss Amazing Beauty Pageant this past year, helping developmentally delayed young adult women enjoy an exciting event. Students also spent a Saturday performing their skills on community members to support Dana Farber at a Cut-A-Thon. They raised over \$1000 for the cause. Seniors met the 1000-hour requirement to sit for the Cosmetology License exam prior to graduation.

Culinary Arts: Gerry's Place Restaurant and Bake Shop enjoyed another successful year serving lunch and baked goods to the public. Students in the program received their certification in Serve Safe and OSHA, as well as meeting all standards set forth by the American Culinary Foundation. The Culinary Arts students participated in the Massachusetts Restaurant Association sponsored competition this past March. Tri-County students competed in both the Culinary and the Customer Service events, and came in third place among all schools in Massachusetts. Students in the program also tend and nurture the school garden, which has been successful for the last four years. Bounty from the garden is donated to local food pantries. This year, Tri-County donated more than 700 pounds of produce! Students also create Farm to Table recipes using some of the produce grown in the garden. Our students continue to work with Franklin TV to film "Cooking Thyme", a cooking show featuring students preparing culinary delights to be enjoyed by the community through the Franklin Cable TV programming.

Dental Assisting: Students in the Dental Assisting Program have practiced their skills in several community service projects this past year. Students volunteered their services at the Elder Dental Screening in October at the Millis Council on Aging. They screened elders at no charge for dental decay and oral cancer. They also provided nutritional information and denture cleaning. Students in the Dental Assisting program also assisted the Massachusetts Department of Public Health to dispense fluoride to school age children in a local elementary school. Grade 11 students continued to participate in the clinical practicum at local dental offices. Students in grade 10 took the DANB Infection Control exam and students in grade 11 took the DANB Radiography exam at the end of the school year and achieved certifications in each. They also received CPR and First Aid training.

Early Education: Students in the Early Education program continued to supervise and educate preschool age children in the Tri-County Preschool Program. All grade 11 students participated in a field placement at local child care centers and public kindergarten classrooms to expand their experiences working with young children. Along with certifications in First Aid, CPR and OSHA, students in this program achieved certificates for successful completion of the Strengthening Families Workshop. They also participated in training to work with traumatized children through the Life is Good Corporation. Students accompanied their teachers to the Massachusetts State House for Advocacy Day for Early Education and Care in February, where they were able to communicate their views on providing the highest quality programs and services to children birth to age eight.

Electrical Technology: Students in the Electrical Technology program are trained in all aspects of residential and commercial applications. Students in this program assisted the Technology Director and the Director of Facilities in performing electrical wiring projects at the school. Students in this program also gain valuable training in renewable and sustainable technology by practicing installation and monitoring energy conservation at the photovoltaic system on school grounds. Students will accrue up to 300 hours of Electrical Code instruction and 1500 hours of practical application toward their Journeyman license requirements upon graduation. Students also wired a large garage in Medfield this past year. With donations from local companies, students are also being trained to install and troubleshoot all types of motor controls and fire alarm systems.

Engineering Technology: The Engineering Technology program incorporates Digital Electronics, Introduction to Engineering Design, Principles of Engineering, Computer Integrated Machining, Architectural Design, and Bio Engineering into their curriculum. This past year, the program was expanded to include training in Advanced Manufacturing. Students practice programming, operating and troubleshooting CNC turning and milling machines. All HAAS machines were purchased through grant money provided by the Massachusetts Skills Grant Program. Students also have gained skill in using 3D printing technology and a robotic arm. With Project Lead the Way Certification, the students are able to transfer their skills to many PLTW affiliated colleges upon graduation. Students once again participated in the HUNCH (High School Students United with NASA to Create Hardware) program.

Their goal was to develop a device that could make an astronaut's life easier in space. Students also participated in the Boston Society of Civil Engineers sponsored competition to design a bridge online as well as the Zero Robotics competition in which the students programmed robots, known as SPHERES.

Graphic Communications: Design, pre-press, and printing skills are honed by students enrolled in this program. Students continued to practice their skills on the digital press, serving the printing needs of many sending towns and non-profit organizations. Some of the projects completed by Graphic Communications students were street directories, school yearbooks, and graduation tickets for the town of Seekonk, letterhead and envelopes for the towns of Wrentham and Medfield, and creating the Franklin Directory. Students achieve several Adobe certifications as a result of successfully completing the curriculum and passing the comprehensive online exams. Students in the Graphic Communications program can be proud of their contributions to all Tri-County publications.

HVAC&R: Students are trained in all aspects of heating, cooling, and ventilation of both residential and commercial buildings. Students in grades 11 and 12 succeeded at attaining their EPA 608 certifications after passing intensive curriculum and taking the national exam. With this certification, graduates will be well prepared for high paying employment and further education. Students also honed their sheet metal skills this year and they prepared to take the sheet metal license upon graduation. Student who compete 200 hours as a refrigeration apprentice and achieve a trade certificate upon graduation may sit for the Refrigeration Technician's License exam.

Legal and Protective Services: Students in this program gain skill and knowledge in various aspects of the justice and protective services occupations. The students learn how to secure a crime scene and look for evidence using state of the art equipment. They also hone their skill in utilizing research methods to conduct a mock trial, roleplaying defense attorney, prosecuting attorney, and other members of the trial. Students participated in field trips to local courts to observe the system in practice. Guest speakers were invited to the class to inform the students of the many career opportunities in the criminal justice field. This past year, the students learned about installing and monitoring security systems and surveillance equipment.

Medical Careers: Students in the Medical Careers program are trained in various aspects of health care. Grade 11 students achieved their Certified Nursing Assistant credentials. Grade 12 students received a Home Health Aide certification and those students who did not participate in the Cooperative Education program received training in EMT. Grade 10 Medical Careers students received Epi-pen training as well as therapeutic feeding training. Tri-County continues to enjoy a partnership with Golden Pond Assisted Living Center as well as HMEA (Horace Mann Education Associates) where students participate in clinical experiences each year. During the last school year, Medical Careers students trained students in all vocational programs in Hands Only CPR. The Medical Careers program received the Department of Public Health annual evaluation and met or exceeded all standards and requirements of Massachusetts and Federal Guidelines for Nursing Assistant Training Programs. The Medical Career students assisted pharmacists from Rite Aid Pharmacy to conduct a Flu Clinic for all staff at Tri-County. Students in this program conducted several public service programs in which they educated the public in the dangers of sun exposure and other potentially harmful lifestyle habits. Students graduating from this program are well prepared to pursue highly competitive health care careers.

Metal Fabrication and Joining: Students in the Metal Fabrication program achieve several AWS welding certifications, including GMAW-V, GMAW-O, GTAW-ST, and GTAW-SS. They also learn the fundamentals of metal fabrication and joining processes. Students participated in field trips to local metal fabrication companies to observe various business practices. The graduates from this program will be prepared for occupations in not only welding but in metal forming, cutting and fabricating. They are also trained in sheet metal processes and may pursue the sheet metal license upon graduation.

Seniors who are eligible for cooperative education employment are consistently placed in an industry of high need in the community.

Plumbing: Plumbing students are trained in residential and commercial plumbing applications. Students in grade 11 completed their Tier I Plumbing course and grade 12 students completed Tier II. All students take the exams at the end of the course. Successful completion of the courses allows students to be prepared to take Tier III immediately upon graduation. Plumbing students work closely with the Director of Facilities here at Tri-County to perform plumbing repairs throughout the school building, further honing their skills. Under the supervision of their teacher, students installed bathroom fixtures and all plumbing for the Town of Plainville Parks Department this past school year. Students who participate in the Cooperative Education program may begin their formal apprenticeships with their employers while still in high school.

Adult Education

Tri-County offers both Postsecondary and Continuing Education courses through its Adult Education Office. The majority of adults served through the various continuing education programs are from within the school district; however, students represent cities and towns from all over Central and Eastern Massachusetts, as well as Rhode Island. Tri-County offers online registration allowing community members to register for Continuing Education classes on the internet. The online registration system also extends to summer camps and summer school.

Postsecondary Cosmetology and Practical Nursing programs are available on either a day or evening schedule. Additional postsecondary courses available with an evening schedule include Aesthetics, Manicuring and Nursing Assistant programs. Tri-County offers access to Federal Financial Aid in the form of Pell Grants to qualifying students in our Practical Nursing and Adult Cosmetology programs with about one-third of our students taking advantage of the PELL grants. This offering continues to improve community access to these programs through this need based support.

Adult Cosmetology: There were fourteen graduates from the Adult Day Cosmetology program in 2016. Tri-County students once again were successful competing in Skills USA sending students to the national competition. The Adult Day Cosmetology program is a full-time program that follows the high school calendar and runs from September to June. The Adult Evening Cosmetology schedule runs from September to July, Monday –Thursday evenings but otherwise mimics the day class. The student learns hairstyling, cutting, permanent waves, coloring, manicuring and skin care. This program provides students with the mandated 1,000 hours of schooling and prepares them to pass the State Board of Cosmetology's licensing exam. Registration for the program begins in the spring and details are available by contacting the Continuing Education office at Tri-County.

Adult Day Practical Nursing: Graduating 25 students in 2016, the Practical Nursing program continues to flourish. This is a full-time day program which follows the high school calendar as classes are held from September through June. The Practical Nursing program at Tri-County is designed to prepare graduates for the National Council Licensure Examination for Practical Nurses (NCLEX-PN), which tests for entry-level competency. Successful completion of this examination permits practice as a Licensed Practical Nurse (LPN). Registration for this program requires that prospective students take the TEAS (Test of Essential Academic Skills) exam. The pre-admission tests are administered from October to March. Details are available by contacting the Practical Nursing office at Tri-County.

Adult Evening Practical Nursing: Tri-County's two year evening program will begin a new class schedule in September 2017. The evening Practical Nursing program is a two-year program that is held on Tuesdays, Wednesdays and Thursdays, 4:00-9:30 p.m. After successful completion of the course, the students are eligible to sit for the NCLEX-PN examination for licensure. Successful completion of this examination permits practice as a Licensed Practical Nurse.

Continuing Education Program: The evening Adult Education program at Tri-County consists of more than 100 different courses which are offered in the fall and spring semesters. Registration for fall courses takes place beginning in July. Registration for spring courses begins in December. Continuing Education course information can be found in brochures available to the public via direct mail or the Tri-County Website. Program information along with online course registration is available at the Tri-County RVTHS website at <http://www.tri-county.us>, or by calling the Continuing Education office.

Student Activities (excluding SkillsUSA)

National Honor Society: The Peter H. Rickard Chapter of Tri-County inducted 17 new members on November 19, 2015, raising the number of members to 29 for the 2015-2016 school year. These students organized and ran a speedball tournament in order to raise money for the Jimmy Fund. National Honor Society students led a school-wide "Pennies for Patients" campaign raising a significant amount for The Leukemia and Lymphoma Society. For their fundraising efforts on behalf of the Jimmy Fund, NHS members were invited to attend the Scooper Bowl on Boston's City Hall plaza. On Wednesday, June 1, NHS activities culminated with the organization and presentation of Tri-County's twenty-fourth Honors Night held in the Kenneth Custy Gymnasium.

Student Government

Student Advisory Committee: The student body elected seven students to membership on the Student Advisory Committee. The principal appointed one of these elected members to attend the monthly school committee meetings, where she reported on student concerns and activities. Three students from this group also served on the Tri-County School Council and two others served on the High Schools That Work Site Committee. These seven students also served as ex officio members of the Student Council. The student body elected two students to represent Tri-County on the Regional State Student Advisory Committee. These students met once every other month with students from other schools in the Central Massachusetts region.

Class Officers: The sophomore, junior and senior classes elected a President, Vice-President, Secretary, and Treasurer for their respective classes for the new school year. The freshman class elected officers in November. Under the supervision of the Class Advisors, officers scheduled, organized and conducted monthly after-school meetings to plan activities which included the class trips, Freshman/Sophomore Semi-Formal, the Junior/Senior Prom and the Senior Week activities. The class officers heard and communicated students' ideas to the Student Advisory Committee, and also served as ex-officio members of the Student Council.

Student Council: Each class elected four representatives to the Student Council. These students, along with the class officers and Student Advisory Committee members, served as the overall student governing body committed to the principle of student government. The group met weekly after school, and discussed issues and activities affecting the student body. The Student Council served as a liaison between the student body and the school administration. They provided a means for student input on school affairs. Under the supervision of the Student Council Advisors, this group was also accountable for conducting and ensuring fair elections for Class Officers, the Student Advisory Committee, and the at-large Student Council membership. The Student Council served as leaders for the student body, sponsoring and organizing social activities which included Freshman Orientation in August, assisting the Athletic Director in planning Homecoming in October, sponsoring the many Spirit Week activities in November, and working on the Tri-County vegetable garden. The Student Council sponsored two Red Cross Blood Drives and coordinated the first-ever Prom Dress Exchange. In addition, the Student Council planned and coordinated civic, social, fundraising, and community service activities, provided input to the administration on student handbook revisions and acknowledged administrators and teachers throughout the school year.

Extra-Curricular Activities

In addition to our very successful sports program, we offered 10 other extra-curricular activities at Tri-County. All of the clubs provided students with after school opportunities to explore and enjoy various interests. Advisors worked to provide a myriad of opportunities for all students during the extended week day and many weekends. Notable activities include: Student performances by the Drama Club; The Craving, 10 Ways to Survive the Zombie Apocalypse by Don Zolidis, and Love at First Bite by THE SENIORS were performed on March 26, 2016. This allowed our students to showcase their acting talents. Drama club members also attended a production in Foxboro which featured one of our students in the cast. SADD students also organized a texting and driving poster contest and awareness campaign on the dangers of texting and driving. Our TC Green Club provided students the opportunity to participate in activities which revolve around recycling initiatives, environmental issues and sustainable food production. TC Green worked in conjunction with the Keep North Attleboro Beautiful campaign to collect shoes for recycling efforts. The Music Club offered students who play instruments a chance to share their abilities, and club members provided music for graduation. The Games Club increased in membership and attended King Richard's Faire. Additionally, the Math Club and Robotics Club participated in interscholastic competitions where students put both their academic and vocational experience to the test.

Summary

Tri-County Regional Vocational Technical High School is proud to provide a quality career education to the residents of its eleven member towns. Tri-County students are highly visible in our sending districts in a variety of roles. They serve as interns, summer employees, and cooperative education students and have completed a number of outside projects within our member communities. Each of these experiences assists our students in demonstrating what they have learned in their vocational programs.

Vocational training is only part of our success. Academic preparation is noted through the growing number of scholarships acquired from local associations and organizations, as well as the increased number of students now attending college upon graduation. Once again, Tri-County achieved a Massachusetts Department of Elementary and Secondary Education rating as a Level 1 school. Our school was also placed on the AP Honor Roll for the increase in the number of students participating in AP tests and for sustaining improvement in our scores. In addition, our seniors must complete and pass all aspects of the Senior Project. The Senior Project is an excellent example of the integration of vocational and academic skills. Tri-County continues to prepare students as good citizens and this is witnessed through the actions of individual accomplishment of students through community service projects organized through a number of extra-curricular organizations. Our students participate in the annual *Holiday Gift Drive*, coordinated by the Santa Foundation. In another outstanding example of community school collaboration, Legal and Protective students teamed up with Allstate Insurance and their DRIVE Program to educate teens about risky behavior behind the wheel. Our Culinary Arts students and their teachers continued to collaborate with Franklin Cable TV to produce *Cooking Thyme* with Tri-County.

Tri-County is your town's vocational technical school. Our goal is to prepare our students to be good citizens who serve their community. Many of the programs offered at Tri-County are available to the public and service programs are open to residents.

Projects for member towns which were completed by Tri-County students included: *Franklin*, Construction Crafts Laborer students formed and poured concrete steps leading to the Police Department; *Graphics* students produced a monthly newsletter; *Medfield*, Graphics students produced letterhead and envelopes for the School Department; *North Attleboro*, Metal Fabrication students produced metal coverings for dumpsters; *Medway*, Carpentry students built a Buddy Bench; *Millis*, Carpentry students built a shed for the Library; Carpentry also built six display cabinets for the

Historical Society; *Seekonk*, Graphics students produced letter and pocket sized street directories, and high school graduation tickets and elementary school yearbooks for the School Department; *North Attleborough*, Computer Information Systems students developed a website for Make North Attleborough Beautiful.

Tri-County lives by its mission statement, specifically in the charge to prepare tomorrow's workforce; to provide a solid academic foundation for further education; and to prepare good citizens. Over the past year, this mission statement continued to move from words on a page, to action.

ANNUAL REPORT

ELECTED and APPOINTED OFFICIALS

FOR THE

TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30, 2016

ANNUAL REPORT OF THE BOARD OF ASSESSORS

July 1, 2015 to June 30, 2016

We hereby submit the annual report of the Board of Assessors for Fiscal Year 2016. It includes a required breakdown of the town's value of assessed property for FY16 by property types as normally reported.

The Board of Assessors, together with the other Town Officials, received timely certification from the Department of Revenue to set Fiscal year 2016 tax rate of \$14.83 for Residential and \$16.81 for Commercial Industrial and Personal Property.

The Assessor's Office values all properties in the town every year in accordance with the state law that property valuations must be at 100% of market value each year. We completed our Triennial Certification for FY 2016 and will perform annual updates for the following three years. The values are certified by the Massachusetts Department of Revenue which consists of review of procedures and approval of the required statistical analysis.

There were 482 building permits issued in 2016. Each of these permits required an inspection by the Assessor to determine full and fair taxable value. Development continues to be very active in the town of Plainville. The Principal Assessor, with assistance from Northeast Revaluation Group, will be conducting inspections of new houses and building permits throughout the next fiscal year, FY2017. The Board asks for your continued cooperation during this process.

The Board would like to remind senior homeowners that they may apply for an exemption if they meet certain criteria. Eligibility includes meeting specific age, ownership, residency, income and asset requirements. There are also exemptions for eligible veterans, surviving spouses, and the legally blind. You may contact the Assessors for more information. Our office hours are Monday through Thursday 8:30 am to 4:30 pm and Monday night 5:00 pm to 8:00 pm.

The Board of Assessors welcomed two new employees to the Town of Plainville Assessor's Office. The Board was pleased to welcome Maureen Clarke as the new Principal Assessor and Maureen Hasenfus as the Assessing Clerk. We welcome our new employees and hope they have a long association with this office.

2016 ANNUAL REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission is an appointed board comprised of 7 members, each appointed for three year terms. The Commission generally meets the second and fourth Tuesday of every month at 6:00 PM on the lower level of the Senior Center. The general public is invited and encouraged to attend any and all Commission meetings. The Commission was staffed by Agent Burt Bryan, who retired in August of 2015, and by Christopher Yarworth, his replacement.

The primary role of the Conservation Commission involves the administration and enforcement of the Massachusetts Wetlands Protection act (MGL Ch. 131, s. 40) and the Plainville Wetlands Protection Bylaw (Chapter 472). To this end, the Commission's responsibilities include meeting with residents and/or applicants, reviewing proposed projects, holding public hearings, conducting site visits, issuing permits and ensuring compliance with regulations and permits.

During Fiscal Year 2016 the Commission met 17 times to review submittal applications. Twelve Notices of Intent were filed for new commercial and residential projects, as well as several Requests for Determination of Applicability and Notices for Resource Area Delineation. The Commission issued several Certificates of Compliance, and addressed enforcement issues as needed. The Commission collected \$6,044.50 in fees this fiscal year.

The Commission is also charged with managing Town owned Conservation land. The Commission performs stewardship visits to inspect these parcels, and participates in the annual Town cleanup day to help remove accumulated litter. The Commission received a donation of a 2.2 acre parcel abutting Lake Mirimichi, on Mirimichi Street, that now allows for public pedestrian access to the lake shoreline. The Commission worked with the Lake Mirimichi Association to have a gate installed at the boat ramp on Mirimichi Street, which will help control power boat access while providing access for emergency personnel. Work to construct fishing stations around Turnpike Lake was performed by Bradley Oliveira for an Eagle Scout project. Commissioners also attended numerous training sessions and MACC conferences to stay updated on pertinent laws and regulations necessary to successfully perform their duties.

All applications received and reviewed by the Conservation Commission are on file in the Conservation office.

The Commission would like to take this opportunity to thank all the residents and Town Officials for their support of wetlands and open space areas that the members are working so diligently to protect.

The mission of Plainville Senior Center is to enrich the lives of community seniors through companionship, programs, fitness, education, and nourishment. The center offers programs that promote the health, emotional, social, and intellectual well-being of senior adults living in the community as well as providing lunch, Meals-on-Wheels deliveries and transportation for Plainville Seniors and Disabled residents. All programs are designed to promote well-being and independence through the aging process. All activities of the Plainville Senior Center shall be conducted on a non-discriminatory basis with regard to race, color, religion, sex, handicap, family status, and national origin.

TRANSPORTATION

The 8-passenger bus service provided 5,750 rides. The bus drives Plainville seniors to medical, personal and shopping appointments.

NUTRITION

HESSCO Elder services provides congregate meals, home-delivered meals through Meals-on-Wheels, and nutrition counseling. Over (5,500) meals were served at the Center and volunteers delivered over (4,000) meals to homebound seniors within our community who would otherwise have difficulty getting to one of the congregate meal sites.

SOCIAL SERVICES

The Outreach Coordinator assists seniors to determine their eligibility for local, State, and Federal assistance programs including food pantries, fuel assistance, SNAP, social security, meals, and housing. The center has two SHINE counselor volunteers trained and certified by the Office of Elder Affairs in the areas of health insurance and prescription drug programs.

VOLUNTEERS

Volunteers serve in nearly every aspect of the center and make it possible to run most of the programs and services; some include exercise, food events, reception, games, bread, kitchen help, travel, tax preparation, social events, and many more activities. The volunteers are key to the success of the center.

LEGAL, HEALTH & WELLNESS SERVICES

Services available to seniors include no-cost legal support, veteran's assistance, medical checks, foot doctor every nine weeks, and cholesterol clinics twice a year. Chair massage, meditation, Sit N' Stretch, and other relaxation programs are offered on a regular basis.

ACTIVITIES & EVENTS

Activities include exercise, social, educational, recreational, and well-being information. Food events are held on a regular basis in addition to daily congregate meals. Travel trips are available and monthly dances through the Friends of Plainville Seniors are held off site.

ANNUAL REPORT OF THE FINANCE COMMITTEE OF PLAINVILLE

The Finance Committee is an appointed advisory board of seven members. Meetings are conducted in posted open meetings and all are encouraged to attend. The main purpose of the finance committee is to provide oversight and analysis of the overall financial picture for the town. The finance committee provides a recommendation on every article with an appropriation. The recommendations are based on our focused analysis of the issues for each article so each town voter can use this information, in addition to any and all floor discussions, to help make an informed decision on how to vote each appropriation. The residents who attend Town Meeting vote on each appropriation.

Plainville weathered the recession of 2008-2014 as well as any other town though sacrifices had to be made. Many capital investments were deferred, and we had to stretch every dollar to provide the best services possible, even if at a reduced capacity. An improving economy now provides more opportunities to restore services and invest in capital however; we are still playing catch up to address the things that were deferred.

The strength of Plainville is due to its people, its culture and overall economic opportunities. The people, for example, voted in 2015 to enact three Special Acts to create a professionally run Department of Public Works (DPW), to consolidate the Treasurer and Tax Collector positions into one Treasurer-Collector position and to provide for a strong Town Administrator. These three special acts, to be included in the proposed Charter, have provided for greater efficiencies in each area. The culture of the town provided for acquiring a parcel of land in an area that lacked the proper infrastructure and was estimated to be a financial burden if developed with many houses. The economic recovery has sparked significant growth in residential, industrial and commercial properties that provide tax revenue. The casino is on solid footing and other revenue streams are being created through development, one example being a solar farm on the old landfill site and another through a new hotel planned to be built. The DPW has a long term plan, already in process, to significantly improve our old and failing infrastructure such as roads, water, sewers and more.

The finance committee has several new opportunities in the works to improve the quality of advice provided to the town. The finance committee, town administrator and selectboard are developing more tools based on best practices to provide a better analysis of past, current and future outlook for the financial picture. The selectmen will present a capital improvement plan (CIP) for the first time. This will provide a ten year outlook for major purchases. While things may change a little from year to year, we will have a plan in place for major expenditures. Another tool being developed by the finance committee is to provide a trend analysis of certain financial indicators to help score the financial condition of our town finances. While this is a work in progress this year, it will provide a new perspective to grasp the bigger financial picture. A third tool being considered is to develop policy for the finance committee to provide consistent guidance for certain key elements of the overall budget. This will be incorporated into the trend analysis and is also a work in progress. These tools should prove invaluable over time.

A major opportunity for the town is to provide a new town hall and public safety building. While the cost of this project may seem high at \$34 million dollars, we are in the unique position to be able to fund this project solely through a portion of the gaming revenue stabilization fund. A delay in this project would present a financial threat to the town due to the expected rising trend in interest rates for borrowing and the increasing costs of construction. There will never be a better time for this project.

Unfortunately, the news is not all good. One notable threat to our financial health is the OPEB liability. This needs to be addressed with a solid plan. OPEB stands for Other Post-Employment Benefit liabilities. It is what is promised to municipal employees after they retire. The town has not funded this liability to any significant extent and we need to address that issue with a solid ten year plan to bring us current and then maintain funding that plan every year thereafter. The longer we wait to enact a plan the more liability we incur and more difficult it will be to become current. Failure to do so could adversely impact our bond rating. Fortunately, there are several changes that can be considered and we can become current in a reasonable time if we are committed to the task of having the most financially solid plan for the town.

Bruce Cates
Chairman Finance Committee

ANNUAL REPORT OF THE FIRE DEPARTMENT

To the Honorable Members of the Board of Selectmen and the Residents of the Town of Plainville:

I respectfully submit the following information regarding the activity of the Plainville Fire Department over the past year and our plans moving forward.

Employee Transition:

Over the last year we welcomed a new generation of firefighters to the department. As part of the staffing changes due to the explosion of growth in town, we added five new names to the roster. We welcomed FF Brian Carter, FF Devin Eisele, FF Dean Casbarra, FF Peter Rubino and FF Brad Harrison. It is with great pride that we start these members on their journey of a long and safe career protecting the Town. Each of them brings great experience and energy to the department. We look forward to helping them develop into seasoned veterans of the department.

Run Volume Records

The fire department has consistently experienced new records for incidents over the last few years. When compared to last year, our total incident volume significantly increased by 17%. Astonishingly, when compared to last year, ambulance runs surged up 28%. 10% of that is attributable to the casino opening, but the remaining by no means insignificant 18% came from the rest of Plainville. This is a major increase as compared to the previous decade. This year alone matched the previous six years of increases.

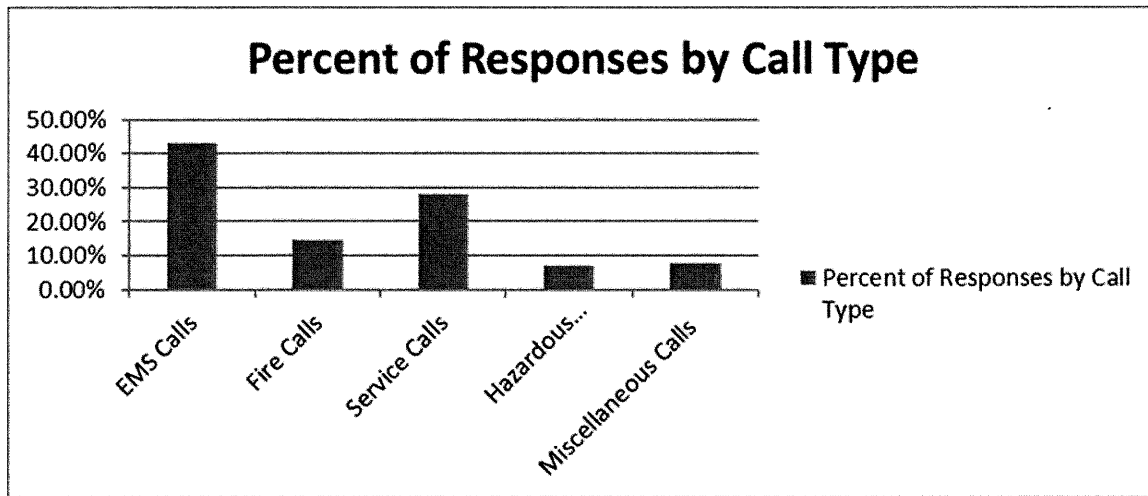

Less Mutual Aid From Area Towns

In the past we had to rely on area towns to help us more and more, hurting their ability to best protect their own residents. Due directly to the support the town consistently has given the fire department; we have been able to use our new firefighters and new callback systems to bring area town use down to a trickle. Even in the face of surging calls for help we have been able to step up and meet the need. This allows Plainville residents to see Plainville Firefighters and not other Town's firefighters show up in their time of need. In addition, our firefighters are better protected by having the additional help right away making operations safer.

Plainville Fire Department Moving Forward

We anticipate another record year for run volume as Plainville continues to grow. We train and plan each day to be ready to meet these challenges. We will also start the lengthy process of designing and building the new ladder truck. This new truck will bring modern technology and reliability to the Town. The abilities it will have will make the department more capable of protecting residents as well as allowing our firefighters to do the dangerous task we do more safely.

Fire Department Annual Responses by Type

Plainville Fire Department responded on a total of 3370 requests for service.

- EMS calls are requests for medical aid (1452 Incidents)
- Fire calls include structure fires, car fires, brush fires, and fire alarm activations (484 Incidents)
- Service calls include fire alarm maintenance and inspections (947 Incidents)
- Hazardous condition calls include fuel leaks, odor investigations, suspicious items (230 Incidents)
- Miscellaneous calls include lifting assists, pre-inspection assistance, public education (257 Incidents)

It is truly an honor to lead such an outstanding department in a town as great as Plainville. I as well as the members of the fire department, who serve to protect all residents and their property, are grateful for your support in keeping us as safe as possible in inherently dangerous situations.

Respectfully Submitted,

Justin R. Alexander

Chief of Department

ANNUAL REPORT OF THE BOARD OF HEALTH

The Board of Health's primary goal is to protect the public health and well-being. This responsibility is performed in many ways.

- **Environmental Protection**

Providing a safe and healthy environment by protecting our water, air and other resources from contamination. This includes inspections and permitting of new or repaired private water wells and on-site sanitary septic systems. The Board of Health office maintains information on the location of water wells, septic system pumping frequency and the location of septic systems. We can also provide information on Title 5 inspections, licensed septic system installers and septic pumpers and well drillers.

The Health Department received and processed the following applications:

Water Wells	8
On-site Sanitary Septic Systems	23 (includes, repair, new & upgrades)
Septic System Installer Licenses	33
Septic System Pumper Licenses	25

In addition, the Board of Health provides engineering review for projects where storm water may impact the environment. These reviews are to ensure that the public and environmental health is protected against flooding, siltation, storm water contaminants and other drainage issues by performing extensive review of storm water management structures for storms of 1, 2, 10, 25 and 100 year frequency events.

- **Sanitation**

The Board of Health inspects restaurants and all food purveyors for cleanliness, proper food handling and sanitation at least two times per year. Plans for new and remodeled restaurants and facilities are also reviewed for adherence to, and protection of, public health. The Health Agent inspects residential housing in response to complaints, motels, tanning facilities and public swimming pools. In 2016, the Board of Health waived the inspection fees for town facilities and inspects the Town Park swimming pool, school cafeterias and Council on Aging kitchen facilities for compliance with health codes.

The following licenses were issued in 2016:

Food, Retail & Mobile Establishments	94
General (public pools, camps)	8
Trailer Parks & Motels	5
Rubbish Haulers	54

- **Tobacco Control Program**

Semi-annual inspections are conducted by the Board of Health at all establishments that sell tobacco and nicotine delivery products (e-cigs). In 2016, the Board of Health raised the minimum age to purchase tobacco and nicotine delivery products to 21.

- **Animal Programs**

The Board sponsors rabies clinics in cooperation with the Fire Department, Town Clerks office and Dewitt Animal Hospital. In 2016, 85 rabies vaccines were given at the clinic, 65 dogs & 20 cats. Management of livestock inspections and coordination with regional mosquito control efforts are also completed. In 2016, 61 barns were inspected resulting in a count of 1,032 farm animals in the town.

- **Emergency Preparedness Plans**

The Board of Health is responsible for preparing Emergency Operations Plans for the following emergencies and disaster events requiring medical and public health response to: infectious disease outbreaks, public health emergencies, pandemic flu, biological incidents, natural disasters and emergency shelters. These plans would be activated under the direction of the Emergency Management Director. The Board of Health works closely with other Plainville town departments in preparing these plans along with other town, county, state and federal governments. Plainville is also active in the Medical Reserve Corps and continues to recruit and train volunteers so that they will be ready to assist in the event of an emergency. The Town of Plainville is also represented on the executive board of the Bristol County Public Health Preparedness Coalition, which allows the Town to give consideration on how money is spent on emergency preparedness initiatives for the region.

- **Health-care Services - Annual Report from HealthCare Options, Inc.**

Health Care Options, an affiliate of Community Visiting Nurses Association, provides Public Health Nursing services to the Town of Plainville, through a contractual agreement with the Board of Health. A wide range of Public Health Services are available to the residents of Plainville by contacting Public Health Nurse Maureen Cardarelli, RN at Health Care Options, or the Board of Health.

Immunizations – 2 total immunizations, including 2 adult flu vaccine.

Childhood immunizations are available by appointment by calling Maureen Cardarelli, RN at 508-222-0118 x1367.

Mantoux Testing – None requested.

Mantoux testing with MDPH supplied PPD is restricted to testing high risk individuals only. Mantoux testing requires two visits, one to implant the test and the second visit to read and evaluate the test results. All positive tests are referred to a physician or public TB clinic for evaluation.

Lead Level Screening – None requested.

Lead level screening is available to children when required for school admission, or upon request.

Cholesterol, Blood Pressure, and Blood Sugar – 26 Chol, 131 BP, 58 BS screenings

Health Promotion screening for Total Cholesterol, Blood Pressure, and Blood Sugar are provided twice a year. Blood Pressure and Blood sugar screenings are provided monthly. Referral to primary care physician is made for results outside of the normal range.

Communicable Disease Investigation – 51 investigations

Investigation, follow up and filing of MDPH reports is completed on all Communicable Disease reports received. This entails the investigation of each report, implementation of any mandated control measures, and filing a final report with MDPH. Guidance is available to school nurses and physicians' offices regarding interpretation and implementation of quarantine and isolation regulations and mandated control issues.

Latent TB infection – 1 follow up of reported LTBI cases

LTBI (Latent TB Infection) is now reportable, and therefore requires a report to MDPH. When a positive TB test is reported, referral is made to an MDPH TB clinic for CXR and evaluation, if this has not already been done. Once active TB is ruled out, and diagnosis of LTBI made, follow up is provided to those who are being treated prophylactically at the clinic or with a private physician, in order to encourage and document completion of therapy.

Maternal Child Health – None requested.

Upon referral from a hospital, physician's office, or by family request, contact can be made to families of newborns. Education, support, and assessment of needs are provided. A home visit can be provided if requested/needed.

Vaccine Depot Services

Vaccine services included the safe storage and management of vaccines and MDPH educational materials and guidelines. It also includes the tracking of vaccines and all paperwork associated with the MDPH Vaccine Program, and resource information and education to providers.

Public Health Resource – information regarding communicable disease, infection control, health promotion, and immunizations is available to school nurses, residents, and medical providers. Resource information, guidance, and support are provided to school nurses to assist in the interpretation and implementation of public health requirements and standards within the schools.

Free Care is available on a limited basis to those Plainville residents requiring skilled nursing services, but having no insurance and the inability to privately pay.

Community VNA Public Health Nursing has been providing quality Public Health Nursing services to the residents of Plainville for many years, and looks forward to continuing to serve the residents of Plainville.

- **Trash & Recycling Programs**

The Board of Health manages the community trash and recycling programs including the operation of a recycling center located at the Highway Garage on West Bacon Street. The solid waste / recycling program had 1,936 participants in 2016. In addition to weekly curbside pick-up, the Board of Health, with the assistance of the Highway Department, also has the drop off services available at the highway garage for the following materials: metal, leaf and yard waste, TV's & monitors, electronics, tires, batteries, fluorescent bulbs, propane tanks, clothing, books, paper and cardboard. In 2016, the recycling center hours were extended on Saturdays to better accommodate residents. The Board also organizes periodic Household Hazardous Waste Collection days to provide residential drop off for the proper disposal of toxic materials.

In 2016, 1,396 tons of trash and 683 tons of recyclables were collected curbside. This represents a recycling rate of 33%. In addition, the following materials were diverted from landfills and incinerators to be recycled:

21 tons	of scrap metal
30 tons	of books, paper & cardboard
9,490 lbs	textiles
99	tires
57	propane tanks
7 tons	CRT's (TV's and monitors)
2,441 feet	fluorescent lamps/bulbs
419 tons	compost (brush, leaves, branches)

The Plainville Board of Health Facebook page is continuously updated to keep residents up to date on important food related recalls, trash and recycling information and other Board of Health activities.

ANNUAL REPORT OF THE HISTORICAL COMMISSION

To the Board of Selectmen and the Citizens of Plainville,

The Plainville Historical Commission submits this annual report for the fiscal year ending June 30th 2016:

The Historical Commission had a very productive year with great opportunities and bittersweet changes. On June 30th Barbara Parmenter officially stepped down as Chairperson for the Historical Commission. Kristine Moore was voted in as the new chairperson by the commission and her appointment was approved by the selectmen.

On August 17th the Franklin Historical Commission/Museum invited area commissions and societies to meet and discuss events in each town and how the groups can assist each other. In addition to the meet and greet, "gifts" were exchanged; these gifts were items that other groups had in their possession that were returned to their respective town. Plainville received a menu from Sandy's restaurant (gifted by Foxboro) and a copy of a notice of taxes due to King George the III (gifted by Wrentham).

The commission has been in contact with the Register of Deeds William O'Donnell for Norfolk County with regard to preserving and organizing archived materials. A meeting has been arranged in May 2017 for a demonstration on how the Register and his team can help Plainville with our digitizing goals.

In August, Franklin Historic Photos were on display at Medway's Almont Gallery via new digital technology - iC4ka - which displays photos on a special screen for visitors to scroll through. The Plainville Historical Commission was invited to view gallery and, much to Franklin's delight, we were able to confirm that a few unknown photos displayed by Franklin were of some Whiting and Davis bonfires.

In October, the commission was contacted by the North Attleboro Historical Commission regarding a rededication ceremony for the Angle Tree Stone. Unfortunately, due to unforeseen circumstances, no one from Plainville Historical Commission was able to be present at the rededication. It is North Attleboro's hope that Plainville can have a larger role in caring for the monument and the site, so we plan to partner with North Attleboro as to what we can do to help.

Also in October, the Historical Commission and the Plainville Library co-hosted a fourth scanning party. In attendance were representatives from Medway Historical Society and Franklin Historical Commission, who hope to have their own scanning parties in the near future. Medway was kind enough to bring one of their devices to display several digitized Plainville photos for visitors to see; we hope to purchase one of these devices in the future. Over sixty photos were scanned that night and another scanning party is in the planning stage.

The commission joined Twitter and Instagram and has had great success creating connections with other museums, societies, commissions and people from all over the world. We continue to grow on social media: we currently have 841 followers on Facebook, 169 on Instagram, and 60 followers on Twitter. We hope to have a functional website for the Plainville Historical Commission in the near future as well.

In November, a second Historical Huddle was held in Franklin. Plainville has volunteered to host the third one which is planned for April 2017. Jeff Kinney offered the second floor of the Unlikely Story bookstore at no cost as the venue for the event. We are very excited about this huddle and have already received RSVPs from sixteen commissions and societies in the area who will be attending.

John Teiner of the Parks Department contacted us with regard to a memorial bench being installed in front of the Humphrey House in memory of a former patron's mother. The plan was presented to the selectmen and approved and we anticipate the bench being installed in the next few months. We officially have heat in the Humphrey House thanks to our new heating system and new hot water heater, which will significantly cut down on the cost of utilities in the house. Finally, we are slowly organizing the historical building in the hopes of opening the building to the public in the future.

Overall it has been a very successful, eventful year. We made some great connections with local societies and commissions and continue to work with them to improve, protect and promote Plainville's history. We will also continue to digitize the commission's collection of photographs and documents to preserve them while protecting the originals. The collection at the Humphrey House is vast, so the process will take some time, but while doing so we will be cataloging and itemizing the artifacts, photographs, and documents. We are excited for the next chapter of Plainville's future and all the great things to come for our little town.

Respectfully submitted,

Elizabeth Johnson

2016 ANNUAL REPORT OF LAND USE COORDINATOR

The Plainville Land Use Coordinator (LUC) is appointed by the Board of Selectmen, and reports to the Town Administrator. This part time position was originally funded from the former, full time Town Planner position (which reported solely to the Planning Board) in an effort to provide professional staffing for both the Planning Board and Zoning Board of Appeals. In addition, the Coordinator helps to streamline permitting between all municipal departments for larger developments where approvals from multiple boards are required. The position is staffed by a licensed professional civil engineer, who can also provide technical assistance to all departments as requested. The Coordinator assists proponents in guiding them through the complex, and sometime conflicting, regulations between town boards, and helps ensure that the final permits issued adequately protect the Town's needs and interests. The Coordinator also works closely with Plainville residents to assist them with the filing and completion of local permits necessary to construct home additions and improvements. The office has access to many resources that can often help to reduce homeowner and business expenses in obtaining permits, and encourages all people involved in land development to contact the office as early as possible in the design process to help expedite permitting. Starting in September, 2015, the LUC also was appointed as the Conservation Agent, after the retirement of Burt Bryan, the previous agent. The Board of Selectmen plan on altering the position to full time at the next Town Meeting, and to create a Department of Planning and Development, so that all three boards and commissions are adequately staffed.

During this year, the Coordinator has:

- Provided technical expertise and staffing to both the Planning Board and Zoning Board of Appeals
- Assisted the Board of Health with project reviews as needed.
- Acted as the Conservation Commission Agent handling project reviews, decision preparation and compliance issues.
- Assisted with MS4 stormwater compliance.
- Coordinated with the Water & Sewer Commission on water issues related to development.
- Coordinated with the Police and Fire Departments on traffic and other public safety issues.
- Assisted the Planning Board with zoning updates for Town Meeting.
- Met with developers and homeowners to assist with permitting and discuss development options and requirements.
- Encouraged appropriate development in Commercial and Industrial districts and acted as an advocate for the Town to help enhance non-residential tax revenue.

The LUC also acts as assistant zoning enforcement officer, assisting the Building Inspector with zoning interpretations and enforcement.

The concept of land development coordination has proven to be an extremely effective way to allow developers and town boards to work together to enhance the final built environment of the Town of Plainville, and the Coordinator thanks all of the elected and appointed officials, Town staff and residents who have helped make this process work so well during the past year.

PARK DIRECTORS

John Teiner
Maureen Dunfey

FY '16 BUDGET: \$3,785.00
EXPENDED \$3,785.00

The Everett W. Skinner Pool was open from June 20th through August 23rd. We held our first Wiffle ball tournament during the Fall Festival. It was a huge success with 40 children participating. Trophies were awarded to the winners of each age division. We have replaced the decks and suspension bridge on the six to twelve year old playground. The Park Department replaced decks and suspension bridge along with new crawl tube and slide for the smaller playground. We also added a brand new rockscape climber as a new fun and exciting addition to our town park playground. In total the Park Department spent over \$26,000 on new playground and replacement equipment. The Park Department put in four (4) brand new toilets in the public restrooms. The Park Department also purchased new cameras and security system for the town park to ensure the safety of all the children and residents. The Park Department spent over \$4,000 for tree removal around the Town Park for safety and hazardous concerns.

The Park Dept. would like to say a special thank you to Maureen Dunfey for her many years of service, commitment, & dedication. Maureen officially retired in April of 2016 after 26 years of service to the town of Plainville. Maureen worked extremely hard and devoted so much of her time to the Town of Plainville for all the children and residents. Maureen will be greatly missed. We would like to welcome newly hired Heidi Stapleton to the Park Department staff. With the part-time recreation assistant to our staff we hope to expand and offer the best quality programs possible to our residents.

New Programs for the residents & children during 2016:

- Wiffleball Tournament
- Fall Soccer Training
- After School Soccer/Tennis Clinic
- Spring Soccer Training program
- Fall Adult Pickleball

- We would like to thank the Plainville Cultural Council for providing the funds to run Mad Science Program & Yoga for a second year at the Town Park.

The Park Department would also like to thank Village Green & Chestnut Hill Realty for a generous donation of new sod at the town park field and donations for field maintenance and landscape to the entire Plainville Town Park.

ANNUAL REPORT OF THE PLAINVILLE PUBLIC LIBRARY

Fiscal Year 2016

Vision Statement

The Plainville Public Library will be an essential public asset for the informational and recreational needs for the townspeople of Plainville, which will exceed their expectations in every way. The library will enrich, empower, and educate our community in varied and suitable formats in an environment that is welcoming, clean, safe, comfortable and user-friendly.

Mission Statement

To provide the greatest possible access to the widest range of resources for all the residents of Plainville; to satisfy the diverse reading needs and interests of the community; to promote reading and literacy; to foster learning and lifelong education; to encourage the natural inquisitiveness of each individual; and to treat each person with dignity and respect.

Services

The Plainville Public Library continues to be an extremely busy place. We circulated 68,712 items this year. That averages out to 7.8 books, movies, books on tape, cds, cd-roms or DVDs circulated for each person who lives in Plainville. The Town of Plainville expends just .73% of the total town budget on the library or \$21.18 per resident for library services [based on FY14 data]. The average spending of libraries with similar population is 1.5% of their town budget at \$45.71 per capita. For each dollar the town invests in the library, the residents of Plainville receive over \$27.00 worth of services. Which means the return on the investment in the public library is over 25 times the cost. We feature downloadable music and books, available through our Overdrive collection, as well as ebooks solely for the use of Plainville Public Library card holders through our Overdrive Advantage program. DVDs and Books on CD for adults and children were all added as we continue to see an increase in usage for not just information but for family entertainment as well. Aside from our own collection you see below, all of our customers were able to borrow materials from any of the 45 SAILS network libraries' one million items. People are finding what they want and need and are getting in the habit of asking for it from other libraries as we saw over 31,000 items circulate to and from our library for our customers.

Our customers also have access to the Commonwealth Catalog, a statewide resource for borrowing books from libraries across the state. Databases of periodical are available from home or work all day, every day. All of these great services can be found with your library card and pin number at our catalog through our website. We encourage Plainville Residents to get a Boston Public Library eCard in order to have access to the greatest amount on online eBooks and eAudio as well as Zinio online magazines. Instructions can be found at http://www/plainville_public_library.org/digital-resources.html.

The active Plainville Public Library web site is located at www.plainvillepubliclibrary.org. This year we had more than a 68,000 page views on our website. The library has up to date content on our website including interactive library calendar, museum pass booking, eBooks, BookLetters newsletters and A to Z Maps online. We encourage our customers to download library apps on their device including Overdrive (ebooks) for instant access to library materials. The library maintains a social media presence with Atwitter, Facebook, Instagram and Pinterest.

The Plainville Public Library has 3 public use computers. We average 40 people a week, who use our four public internet and word processing computers within the library to check email, investigate products, apply for health care, search for jobs and more. Many more use our Comcast provided wifi with their own devices to complete their tasks. Wifi is available from our picnic table and benches outside the library.

The library now circulates equipment for the use of our customers. We have a soil tester, metal detector, karaoke machine, projector and telescope.

Additional services available include home delivery of books to Seniors, and deposit collections for classrooms. We support our community by being a location to drop off food for the Plainville Food Pantry, Box Tops for the PTO, Toys for Tots, and the Boston Bruins/Cradles to Crayons PJ Drive.

Programming

The Library sponsored 203 children's programs for all ages. Over 4,100 parents and children attended these events. These included weekly story-times, Neptune the Reading Dog, Teddy Bear Picnic, free movies, craft programs, Mother Goose on the Loose for 0-2 year olds, and vacation programs. The Statewide 2015 Summer Reading program featured the Every Hero Has a Story campaign.

We received a Plainville Cultural Council Grant in the amount of \$275 for a program on cartooning, magna and superheroes by the artist Dana Perkins.

Our family programming continues to be popular including, Karaoke Day, Mini Golf, the Annual Scavenger Hunt, and Adult & Teen Summer Reading Rewards. PopUp Library is provided at the Senior Center on Tuesdays. The second Annual Book Character Pumpkin Decorating Contest benefited the Plainville Food Pantry. The Plainville Library worked together with the Plainville Historical Commission to collect and save photographs of Plainville, digitally, through our Scanning Parties. Overall, we hosted 43 family and adult events, which attracted 549 people.

We took part in the annual Lions Club Fall Festival. The library director is running a Senior book discussion group at the senior center. We collected over 70 toys for Toys for Tots and over 40 new children's pajamas for the Boston Bruins and Cradles to Crayons Pajama Drive in February.

Building & Grounds

Our flower barrel was planted and maintained this year by the Friends of Robin Chandler. The library building continues to grow older and need more care. The bulletin boards in the entry way were updated. The building was power washed and the peaks and the second floor fascia boards were repainted. A diaper changing table was installed in the second bathroom. Four broken pendant lights were replaced with new LED fixtures. As lights are replaced, we are moving to LED lamps where we can.

Recognition

The Plainville Public Library would like to thank the Friends of the Plainville Public Library, Inc. for purchasing the passes to the Southwick's Zoo, Mystic Aquarium, Mystic Seaport, Roger Williams Zoo, Easton Children's Museum, Providence Children's Museum, Boston Children's Museum, Butterfly Place, and the Museum of Science. They also sponsor 4 magazine subscriptions, and many programs at the library.

Thank you to all of the persons who have given donations in honor of a loved one this year. We had 8 volunteers donate a total of 251 hours to the library this year, many of those hours going towards requirements for volunteer hours for high school students. We also had numerous donations of books for the Friends of the Library book sale. Without the generous support of the citizens of Plainville the Library would not be as nice a place as it is now. Thank you to the Trustees of the Plainville Public Library; Linda Lyon, Paula Mealy and Sherrill Minch for their dedicated hard work to making sure the library is a welcoming, friendly, and resourceful place for everyone in the Town of Plainville.

Your Plainville Public Library is a Fiscal Year 2016 State of Massachusetts certified public library as certified by the Massachusetts Board of Library Commissioners in accordance with Massachusetts General Law Chapter 78, Section 19B. This ensures we receive our State Aid amounting to \$12,591 and our Small Libraries in Networks grant of \$2,175 in Fiscal Year 2017, are eligible to apply for state and federal grants, and our customers can borrow items freely from any library in Massachusetts as members in good standing with the SAILS Library Network and the Commonwealth Catalog.

2016 ANNUAL REPORT OF THE PLANNING BOARD

The Town of Plainville has an experienced and knowledgeable five member elected Planning Board and staff in the Planning Office of Town Hall. The Planning Board generally meets the first and third Monday of every month at 7:00 PM on the lower level of the Senior Center. The general public is invited and encouraged to attend any and all Planning Board meetings.

The Town of Plainville's Planning Board is charged with administering the State's Subdivision Control Law and the local subdivision rules and regulations. The Board is also the permitting authority for Site Plan and Special Permit applications under the local Zoning By-Laws. The Planning Board makes recommendations on Zoning By-Law amendments for approval at Town Meeting, and may, at its own discretion, adopt or change subdivision regulations.

Nine zoning articles were submitted for the 2016 annual Town Meeting, all of which were approved. The articles included:

- ARTICLE 43: Amend the Town of Plainville Zoning Map on the westerly side of Washington Street (Route 1) near the intersection with George Street.
- ARTICLE 44: To allow solar photovoltaic facilities in the Special Industrial (IA) zoning district.
- ARTICLE 45: To allow AUTO SALES in the Limited Industrial (IB) Zoning District.
- ARTICLE 46: Reduce the required front yard building setbacks in the CA Zoning District.
- ARTICLE 47: Reduce the lot width requirement on cul-de-sacs in the RA Zoning District.
- ARTICLE 48: Revise §500-20(G) to allow traffic review for Motor Vehicle and Filling Stations to be by the Planning Board instead of the Zoning Board of Appeals.
- ARTICLE 49: Amend §500-26(D) of the Town Center District Bylaws to update references to zoning sections that have been revised.
- ARTICLE 50: Amend §500-19, Attachment 2: Use Regulation Schedule to define and regulate Drive-Through Windows by Special Permit.
- ARTICLE 51: Amend §500-19, Attachment 2: Use Regulation Schedule to define and allow Billboards by Special Permit in the CA Zoning District where a lot abuts Route 495.

These new bylaws reflect the Board's continuing efforts to help streamline permitting and expedite appropriate commercial development, while still providing excellent protection to the Town's natural resources. The Board appreciates the Town Meeting's support in implementing these changes.

The Planning Board reviewed the creation and construction of new residential and commercial projects. Based on these developments, the Planning Department has collected \$86,298.40 in application fees during Fiscal Year 2016. The Planning Board receives assistance in reviewing and approving permits from a professional engineering firm, whose services are paid for by the applicants.

A bond is required to ensure satisfactory completion on most subdivision development and special permit projects. These funds are utilized by the Town in the event the developer defaults on the project. The bond provides security and a guarantee to the Town that the proposed plans are completed as approved. We are presently maintaining in excess of \$1,200,000.00 in bonds.

The Planning Board and its staff also work to provide assistance to property owners to guide them through the permitting process and assist them in designing projects that are compatible with the Town's zoning bylaws and character prior to plan submittal. The Board encourages any land owners to

contact their office early in the development process. This helps avoid long and costly plan revisions during the design review, and helps streamline permitting. The Board and staff work closely with potential commercial developers to encourage appropriate development in Town to enhance revenue growth.

The Planning Office receives technical assistance from the Southeastern Regional Planning and Economic District, which serves as a valuable resource. The Planning Board works in cooperation with the Plainville Land Use Coordinator to coordinate with the Board of Health, Conservation Commission, Building Inspector and the Zoning Board of Appeals to provide a comprehensive review on proposals that impact multiple boards.

The Board handled multiple projects throughout the year. Commercial development involved revisions and construction review at Plainridge Park Casino, the Madison Street commercial site, the Extra Space storage facility, Commerce Boulevard, the "Pete Store" at 116 Washington Street, two commercial buildings at 3 Fuller Street, and a proposed 80 room hotel and 24,800 square foot medical office building off Madison Street near the Wrentham town line. An expansion parking lot for the Unlikely Story bookstore was also permitted in the center of town. Condominiums on Terry Lane are continuing to be permitted and constructed, and numerous Form A plans have been approved. An 8 lot subdivision off Berry Street was converted to two lots, and a five lot subdivision off High Street was converted to three lots, with a 6.3 acre parcel being donated to the Town for conservation purposes. Revisions were made to the Woods at Mirimichi subdivision off Messenger Street to allow construction of a sidewalk and guard rail from the site to the schools at the developer's expense. The Town continues to be attractive for both commercial and residential development, and the Board will continue to assure that such development is appropriately designed.

All applications received and reviewed by the Planning Board are on file with the Office of the Town Clerk and in the Planning Office.

The Planning Board would like to take this opportunity to thank the residents and Town Officials for the support and confidence they have provided.

ANNUAL REPORT OF THE PUBLIC WORKS DEPARTMENT

July 1, 2015 – June 30, 2016

I am pleased to submit the following annual report describing the activities and accomplishments of the Plainville Public Works Department during the fiscal year 2016.

Highway Operations Group

Routine Road and Sidewalk Maintenance

All sidewalks and streets were swept in the spring of 2016.

All traffic Markings including center lines, edge lines, parking lines and turn symbols, stop lines and crosswalks were repainted in the spring of 2016.

All street, warning and regulatory signs were checked and repaired or replaced as needed. Potholes and other road and sidewalk defects were repaired as required.

Roadside and facility mowing was done in season. Cutting of brush at the roads edge and intersections was performed as required.

Resurfacing of Streets

Mirimichi Street was paved in part during the summer of 2015 and the remainder was paved in the following spring of 2016. The resurfacing project was funded through the Towns Chapter 90 State Aid Fund.

Street Drainage

All Storm water catch basins were cleaned and several catch basins were repaired.

A drain culvert, that had collapsed, was replaced on High Street between Warren Street and Paddock Drive.

Winter Maintenance & Snow Removal

Snow plowing and sanding was performed as required.

The winter of 2015/2016 was mild in comparison to our previous winter. However, the Public Works Staff responded to several weather events requiring sanding and a few events requiring snow plowing.

New Equipment

A new medium duty dump truck with snow plow was acquired with Funding Approved at the Annual Town Meeting.

TREE WARDEN

Several hazardous trees were removed from the Public Right of Way; street tree pruning was performed as required. Utility Companies were informed of several street tree limbs involved in contact with power lines or threatening power lines.

WATER & SEWER OPERATIONS GROUP

GENERAL INFORMATION

WATER

The Town of Plainville Water System is governed by Massachusetts General Law Chapter 21G; better known as "The Water Management Act". The act establishes guidelines and regulations used to apportion the amounts of water which may be withdrawn from surface water bodies and or groundwater sources in Massachusetts used for public or private water supply. Plainville has a "combined registered withdrawal volume" of 620,000 gallons per day from our sources which are located in three areas of Plainville; near Turnpike Lake, Lake Mirimichi and the Ten Mile River. Withdrawal volumes are issued or permitted by 100,000 gallon per day increments. The nearby communities of North Attleboro and Attleboro also withdraw, or have water rights, to sources that are within Plainville; namely Lake Mirimichi and the Ten Mile River aquifer.

SEWER

The Towns sewer sanitary system consist of pump stations, pipelines which convey all waste water to a waste water treatment facility in the Town of North Attleboro. Plainville has a 20 year renewable Inter-Municipal Agreement with the Town of North Attleboro that establishes a volume of wastewater (sewage) generated from within Plainville to be collected and piped into the North Attleboro system and the Waste Water Treatment Facility (WWTF) that they own and operate. We, the Town of Plainville are a shareholder of 23.8 percent of the total costs associated with the operations and management of that facility and the collection system within their town, thus allowing us to "contribute" up to 23.8 per cent of the average daily volume or capacity flowing to the WWTF. The operation of the WWTF is governed by the USEPA utilizing the "National Pollutant Discharge Elimination System" (NPDES).

Water and Sewer Metrics for FY 2016

Month	Water Pumped & Distributed	Wastewater Conveyed to N. Attleboro
	Gallons in Millions	
July	25.574	13.877
August	27.18	15.591
September	22.695	12.151
October	17.071	15.654
November	9.613	14.473
December	10.518	15.34
January	18.163	24.141
February	17.759	24.346
March	18.419	30.584
April	25.852	29.762
May	24.26	18.477
June	24.41	13.993
Totals	241.514	228.389

The Table to the left shows the amount of water used in Plainville and the waste water Plainville conveyed to the North Attleboro Waste Water Treatment Facility during the Fiscal year 2016.

Water System Projects

The rehabilitation of the East Bacon Street 1.5 million gallon water storage Tank was completed. The Tank was drained, cleaned and the inner tank wall were lined. The outer tank was painted and tank equipment was updated.

All Fire Hydrants were inspected for operation. Several hydrants were repaired and or replaced. An ongoing Hydrant Inspection and replacement program was initiated.

Water and Sewer Operations Activities

Water and Sewer Operations Staff responded to many calls for water quality issues, leaks, meter replacement, sewer issues and billing inquiries'. Staff also performed routine maintenance on water and sewer system component's including pump stations, wells, manholes, service connections as well as tools and equipment.

The Water and Sewer Operations staff was increased with the addition of two Skilled Laborers in January of 2016. The additional staff will allow the group to perform much needed maintenance of the Water and Sewer Infrastructure.

Annual Report of the Tax Collector Fiscal Year 2016

During fiscal year 2016, the Tax Collector's office collected Real Estate Taxes which totaled \$18,816,626.23, Personal Property Taxes which totaled \$1,099,175.44, Motor Vehicle Excise Taxes which totaled \$1,403,012.32 and various other fees and interest for a grand total of \$21,589,269.13. We processed 3,672 real estate and personal property bills and more than 10,000 motor vehicle bills. In addition, we collected and processed \$607,319.79 from fees generated by the various offices in Town Hall.

The Quarterly Real Estate and Personal Property Tax Billing System has been in place for six years and has been well received. The Quarterly System defines four specific due dates, making it easier for taxpayers to budget payments. Payments are due each year on the first days of August, November, February and May. The bill for quarters 1 and 2 was mailed on June 30, 2015, the bill for quarters 3 and 4 was mailed on Dec. 31, 2015.

Because of changes instituted during this Fiscal Year 2016, I have been appointed as the town's Collector. As a result, our office will begin expanding the types of bills we collect here at Town Hall. Starting July 1, 2016, all Water and Sewer bills will be collected by our office while the Water Department will still read meters and create bills.

I would like to encourage people to use our online bill paying service. The system currently accepts payments for real estate, personal property and motor vehicle excise taxes, trash bills, Water/Sewer bills, various Park Dept. programs and several items from the Town Clerk's office including dog licenses. The online payment option is offered by our software provider, City Hall Systems, and can be accessed through the town's website, www.plainville.ma.us. There are two payment options- by an EFT or by credit card. There are costs associated with both options which are clearly stated on the website. The costs are borne by the tax payer.

I would like to address the people who pay their bills by bank generated checks- those payments that are sent from your bank account to us by online entries at your bank site. Please help us by identifying what you are paying. Please state the type of payment- a dog license, a trash bill, a motor vehicle tax, etc. Then give us bill numbers that will help us identify how to apply your money. Very often, we spend an inordinate amount of time trying to determine what exactly you want us to pay. At times, we have returned the checks because we simply could not determine your intentions.

Please feel free to come in and share any concerns or problems you may have. I may be able to offer some advice on how to set up payment plans, explain your tax bill or help in other ways. I feel privileged to serve the taxpayers of the Town of Plainville and truly hope that people realize that I am here to help solve problems as well as to collect taxes. Finally, I sincerely thank the dedicated staff members who worked tirelessly this year in the Collector's office, the Departmental Assistant, Kathy Tomes and our Senior Accounting Clerk, Janet Jannell. The town is very lucky to have them.

Respectfully submitted,
Kathleen A. Parker, Treasurer-Collector

ANNUAL REPORT OF THE TOWN TREASURER
Annual Report of the Town Treasurer
Fiscal Year 2016

The primary function of the Town Treasurer is to manage the town's cash flow and to safeguard all government funds. The Treasurer takes custody of all monies paid to the town and disburses all funds authorized on a weekly basis by the Board of Selectmen and the Town Accountant. In addition, the Treasurer issues all permanent and short-term debt, administers the payroll for town employees and the payroll withholdings for town and school employees, files all federal and state tax returns as well as yearly reports required by the Commonwealth's Department of Revenue. The Treasurer develops statistics for analysis and presentation in the town's Annual Report which is filed each year pursuant to the Securities and Exchange Commission Rule 15c2-12. This report, which is available in the Treasurer's office, is an in-depth look at the town's financial position and its operating procedures. It is meant to be used by any person who may be interested in purchasing bonds issued by the town.

During fiscal year 2016, we processed a total of \$42,421,090.08 in receipts, processed Treasury Warrants totaling \$40,014,114.62, issued payroll checks to town-side employees totaling \$7,481,302.75 and administered payroll withholdings for town and school employees in the amount of \$4,583,456.23. All transactions in the Treasurer's office as well as the other offices in the town are audited on an annual basis by the firm R.E. Brown and Company. The audit is available for review in the Town Hall.

There were no long-term debt issues during Fiscal Year 2016. However, a short-term Bond Anticipation Note was renewed on behalf of the Sewer Department in the amount of \$225,000.00. The notes were purchased by UniBank for one year at a rate of .80%. This note will become a permanent issue during Fiscal Year 2017.

Thank you for your continued support, I appreciate the opportunity to serve the citizens of Plainville. Finally, to Kathy Tomes and Janet Jannell, thank you for all your hard work and loyalty. The taxpayers of Plainville are lucky to have you.

Respectfully submitted,

Kathleen A. Parker
Town Treasurer

By the time this report is published, I will be retired as Veterans' Service Officer for the Town. Health concerns have made it extremely difficult for me to keep up with the duties of the office. The Board of Selectmen have appointed Michael Struss as my replacement. It has been my honor to have served the Town's veterans since 2010

Our veterans are a national treasure and are most deserving of any benefit to which they are entitled. For my part, I am honored and proud to have been their advocate in Plainville

Respectfully submitted

Chief Edward M. Merrick (ret)
Veterans' Service Officer

2016 ANNUAL REPORT OF THE ZONING BOARD OF APPEALS

The Zoning Board of Appeals is an appointed board comprised of 5 members. Three alternate members are allowed, but none were appointed for this fiscal year. The Board is assisted in its work by the Plainville Land Use Coordinator. The Board generally meets the third Tuesday of every month at 7:00 PM on the lower level of the Senior Center. The general public is invited and encouraged to attend any and all Zoning Board meetings.

The Town of Plainville's Zoning Board of Appeals is charged with administering appeals, variances, exceptions and special permits as required under the Plainville Zoning Bylaws. The Board also acts on appeals of Building Inspector decisions, and on comprehensive permits filed under M.G.L. Chapter 40B.

The Board reviewed multiple applications from homeowners who were upgrading their homes on non-conforming and undersized lots and needed special permits or variances. The Board and staff work closely with homeowners to encourage appropriate development in Town while protecting the interests of existing neighborhoods. The Board provides assistance to property owners and helps guide them through the permitting process, and assists them in designing projects that are compatible with the Town's zoning bylaws and character prior to plan submittal.

The Board reviewed ten new applications for both residential and commercial projects. Variances were granted to assist with the permitting of a new 80 room hotel and medical office off Madison Street, near the Wrentham town line, and to allow the canopy and driveway realignment at the Shell Station at the intersection of Routes 152 and 106. Inspections were performed for the ongoing construction of the Liberty Square 40B project (the Oasis) located between Routes 1 and 106. Multiple special permits were granted to allow residents to upgrade their homes on undersize lots.

The Board encourages land owners to contact their office early in the development process to expedite the permitting process.

The Zoning Board works in cooperation with the Plainville Land Use Coordinator to coordinate with the Board of Health, Conservation Commission, Building Inspector and the Planning Board to provide a comprehensive review on proposals that impact multiple boards.

The Zoning Board has collected \$1,250.00 in application fees during Fiscal Year 2016. The Board also receives assistance in reviewing and approving permits from a professional engineering firm, whose services are paid for by the applicants.

All applications received and reviewed by the Zoning Board are on file with the Office of the Town Clerk and in the Planning Office.

The Board would like to take this opportunity to thank the residents and Town Officials for the support and confidence they have provided.

Respectfully submitted,

Christopher Yarworth, Land Use Coordinator

PLAINVILLE
2016 REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL DISTRICT

NCMCD operations apply an Integrated Pest Management (IPM) approach to mosquito control that is rational, environmentally sensitive, and cost effective.

Surveillance

We are engaged in an intensive monitoring process through weekly field collections and data analysis in collaboration with the Massachusetts Department of Public Health (MDPH) to detect for disease-vectoring mosquitoes. Virus isolations assist us in focusing our surveillance to hot zones thereby allowing us to alert nearby towns of a potential epidemic.

Virus Isolations in the town: no isolates in town in 2016
Requests for service: 61

Water Management

Communication with residents and town/state/federal officials, site visits, monitoring, wildlife management, and land surveys while maintaining regulatory compliance is integral to the management of waterways that may contribute to mosquito breeding. Pre- to post-management documentation allows us to assess the efficacy of our work.

Culverts cleared	28 culverts
Drainage ditches checked/hand cleaned	7,050 feet
Intensive hand clean/brushing*	0 feet
Mechanical water management	0 feet
Tires collected	49

** Combination of brush cutting and clearing of severely degraded drainage systems or streams by hand.*

Larval Control

When mosquito larval habitat management is not possible, larval mosquito abatement is the most environmentally friendly and effective method of disease control. An intensive monitoring program, aides in our decision to effectively target culprit locations.

Spring aerial larvicide applications (April)	180.6 acres
Summer aerial larvicide applications (May – August)	0 acres
Larval control - briquette & granular applications by hand	2.5 acres
Rain basin treatments – briquettes by hand (West Nile virus control)	265 basins
Abandoned/unopened pool or other manmade structures treated	2

Adult Control

Adult mosquito control is necessary when public health and/or quality of life is threatened either by disease agents, overwhelming populations, or both. Our surveillance program, along with service request data and state of the art GPS and computer equipment, allows us to focus our treatments to targeted areas.

Adult aerosol ultra low volume (ULV) applications from trucks	2,623 acres

Norfolk County Registry of Deeds

2016 Annual Report to the Town of Plainville
William P. O'Donnell, Register
649 High Street, Dedham, MA 02026

The Registry of Deeds is the principal office for real property records in Norfolk County. The Registry receives and records hundreds of thousands of documents annually. It houses more than 5 million land documents dating back to 1793. The Registry is a primary and indispensable resource for title examiners, mortgage lenders, municipalities, homeowners, title examiners, genealogists and others with a need for land record information.

The Registry operates under the supervision of the elected Register, William P. O'Donnell who has held the position since 2002. In continuous operation for nearly two hundred and twenty-four years, the Registry's mission has remained the same: to maintain and provide for accurate, reliable and accessible land records to all residents and businesses of Norfolk County.

2016 Registry Achievements

- Register William P. O'Donnell and his staff continue their direct outreach to town halls, senior centers, businesses and civic groups across Norfolk County. The Register held office hours at the Plainville Senior Center on March 30th.
- The Registry of Deeds recently renovated walk-in Customer Service and Copy Center continues to provide residents and businesses with quality service. This year alone, the Center handled more than 5,000 requests. These included filings of Homesteads, accessing your deed, confirming that documents affecting your property have been duly recorded and help with obtaining a mortgage discharge notice. You can contact the Customer Service and Copy Center at 781-461-6101. Hours of operations are 8:30am to 4:30pm, Monday through Friday.
- In calendar year 2016, we collected more than \$50 million in revenue.
- This year saw a record number of email filers.
- In 2016, we hit a milestone of recording our 34,000 Registry of Deeds book. For the sake of security and redundancy, we record our documents 3 different ways: hard copy, electronically and by microfiche.
- So far this year, more than 11,000 Homesteads applications have been filed at the Registry. The law Chapter 188 (M.G.L.) provides limited protection of one's home against unsecured creditor claims.
- In 2016, the Registry of Deeds unveiled its Transcription Project. The initiative, the first in New England, makes land recorded documents written by scribes of the 18th and 19th centuries in the old cursive hand writing style much easier to read by converting the words into easy to read electronic text.

- The internet library of images, accessible to the public through the Registry of Deeds' online research system at www.norfolkdeeds.org continues to expand. Today all documents dating back to the first ones recorded in 1793 - are available for viewing.
- This year, many technological, office and capital improvements were implemented, including upgrading the cyber security protections of our registry computers, server and network infrastructure. The Registry's website www.norfolkdeeds.org is routinely updating its latest resources such as real estate statistics, answers to frequently asked questions, along with detailing the latest consumer programs.
- The Registry of Deeds Consumer Notification Service hit a milestone with its 500th subscriber. This consumer/public safety program, started last year, allows any county resident to opt in to this free notification service and be alerted when any document – fraudulent or otherwise – is recorded against their name. For more information, please see our website at: www.norfolkdeeds.org.
- Register O'Donnell hosted several free computer seminars at the Registry to provide hands-on-training to the public, including trade groups, public officials, real estate professionals, genealogists on how to access land record information using the Registry's new website technology.
- The Registry expanded its community outreach commitment by working with the Veterans Administration of Boston on our 'Suits for Success' program and supporting the newlife Home Refurbishing program to assist those who are in need of household items, including furniture. Our Toys for Tots' Drive has over the years collected 1,500 presents. Our Annual Holiday Food Drive continues to assist in supporting Food Pantry's throughout Norfolk County.
- The Registries of Deeds had several legislative accomplishments in 2016 such as county registries extending their tech fund to year 2020 to offset their hi-tech expenditures and clarifying Freedom of Information Act requests so that registries remain cost efficient and productive.

Plainville Real Estate Activity Report January 1, 2016 – December 31, 2016

During 2016, Plainville real estate activity saw an increase in total sales volume but a small decrease in average sales price.

There was a 9% increase in documents recorded at the Norfolk County Registry of Deeds for Plainville in 2016, resulting in an increase of 164 documents from 1,910 to 2,074.

The total volume of real estate sales in Plainville during 2016 was \$69,718,926, a 21% increase from 2015. However, the average sale price of homes and commercial property was down 2% in Plainville. The average sale price was \$5353,903.

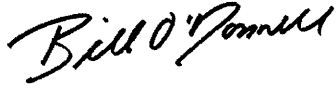

The number of mortgages recorded (425) on Plainville properties in 2016 was up 5% from the previous year. However, total mortgage indebtedness decreased 84% to \$115,781,077 during the same period.

There were 10 foreclosure deeds filed in Plainville during 2016, representing a 100% increase from the previous year when there were 5 foreclosure deeds filed.

Homestead activity increased 21% in Plainville during 2016 with 185 homesteads filed compared to 153 in 2015.

Finally, our objective at the Registry will always be to maintain, secure, accurate and accessible land records for the residents and businesses of Norfolk County. It is a privilege to serve you.

SOUTHEASTERN REGIONAL SERVICES GROUP

The Town of Plainville receives procurement and other services from the Southeastern Regional Services Group (SERSG) and has since its inception in 1993. Two cities and eighteen towns are served by one Regional Administrator. Annual dues of \$4,100 support these services and are recovered in savings from these collaboratively procured contracts.

In the spring of 2016, SERSG administered bids and established contracts for paper, public works supplies and water and sewer treatment chemicals. In the autumn, contracts for public works services were secured and take effect on February 1, 2017. As a participant in the two-year office supply contract procured in July 2015, the Town of Plainville benefits from a discount of 61.17% off non-excluded office supplies in the United Stationer's Supply wholesaler's catalog and 36.17% off ink and toner cartridges. In the first three quarters of 2016 Plainville has already saved \$28,381 off list prices for office supplies through the SERSG contract. The Town and schools also pay a competitive fixed price for paper through a SERSG contract.

For the Plainville Department of Public Works, SERSG procured Supply and Water Treatment Chemical contracts with 14 vendors for 24 items. The estimated value of these supply contracts is \$471,340. New contracts for DPW Services are being secured for next year and are based on over \$1 million in estimates from the Town of Plainville.

In addition to the savings of time due to SERSG handling the procurement through contract execution, additional savings per year result from favorable contract pricing. SERSG contract pricing is equal to or lower than state contract prices and requires less time and effort for departments to use.

During 2016 the SERSG Regional Administrator attended statewide Storm Water Coalition meetings on our region's behalf and signed onto a letter to the state stipulating municipalities' needs. With new MS4 regulations on the horizon, SERSG will remain engaged in this issue.

Monthly meetings of the Board of Directors and Highway Superintendents provide valuable opportunities to share concerns, ideas and feedback about a wide variety of issues affecting municipalities.

Moir Rouse, Regional Administrator

2016 Report of The Arc of South Norfolk, Inc.
www.arcsouthnorfolk.org

Achieve with us.

2016 Report of The Arc of South Norfolk, Inc.
www.arcsouthnorfolk.org

The partnership between The Arc of South Norfolk and the Town of Plainville has contributed enormously to the care of Plainville's citizens diagnosed with developmental disabilities, including autism. Over the many years of our partnership, The Arc of South Norfolk (The Arc) has been successfully "turning disabilities into possibilities" since 1954. As a homegrown, non-profit organization, we have always relied upon local financial and volunteer supports. The continuous support of Plainville and its residents has given us the platform to enhance the programs we offer, expanding as needs arise and answering the call when residents of Plainville reach out for assistance.

Supports and services provided to the citizens of Plainville include:

Family Support, Adult Family Care and Respite Care

Currently serving 29 residents of Plainville:

The Arc provides temporary in-home or out-of-home professional care and training for children and adults with developmental disabilities on a planned or emergency basis. It operates after-school/school vacation week programs for children, provides a wide range of support groups for families and operates a resource center for parents and professionals at our facility in Westwood. We have expanded our Adult Family Care program over the past year, and it continues to grow each year. This program provides support to families and adults diagnosed with developmental disabilities that cannot live safely alone and want to live in a family setting.

Family Autism Center

Currently serving 29 residents of Plainville:

Our Family Autism Center implements high quality programs, services and environments for all persons with an Autism Spectrum Disorder. This program provides individuals with autism, their families and the general community with information and referral services, educational services, parent and sibling support groups and a resource library with Internet access.

Social-Recreational Programs

Currently serving 5 residents of Plainville:

The Arc provides special after-school and evening education classes, sports activities, social clubs and events, and special summer programs for individuals with developmental disabilities. A principal component of these programs is one-to-one volunteer friendships (citizen advocacy).

Harbor Counseling Center

Currently serving 2 residents of Plainville:

The Arc provides specialized, one-of-a-kind, behavioral and other psychological counseling and psychiatric services for adults with developmental disabilities and their families.

Day Habilitation Program

Currently serving 5 residents of Plainville:

The Arc provides educational and therapeutic services for adults with severe and multiple developmental disabilities. The program works to help individuals improve their communication skills,

physical well being, domestic and self-care skills, community living skills and social skills. This program includes a component for elderly individuals diagnosed with a developmental disability. Its primary objective is to enable these individuals to continue to maintain their functional and social skills and to meaningfully participate in the life of their community.

Additional services provided to residents of Plainville:

Advocacy

The Arc provides specialized education, information and referral services, social support, as well as legal, financial and other consultation support. This program also provides self-advocacy training to individuals and advocacy support to families with members who diagnosed with developmental disabilities.

Autism and Law Enforcement Education Coalition (ALEC)

ALEC is a nationally recognized training program for First Responders relative to Autism Spectrum Disorders (ASD). ALEC training helps foster a deeper understanding of ASD among public safety and law enforcement personnel. Training is available for police officers, ER and courtroom personnel, EMT's and firefighters, using curriculum and videos specific to each group. Presenters are first responders with direct knowledge of ASD through a family member.

Residential Management:

The Arc provides Residential Management Services for residential homes and apartments housing individuals with intellectual and other developmental disabilities.

Services supported by The Arc of South Norfolk through its affiliate, Lifeworks:

Vocational Training and Job Placement Programs

Currently serving 6 residents of Plainville:

Lifeworks Employment Services provides vocational rehabilitation for people with developmental disabilities ages 18 and over. These services include vocational evaluation, work adjustment training, sheltered employment, transitional or supported employment and competitive job placement and follow-up support.

Residential Programs

Currently serving 3 residents of Plainville:

Lifeworks Residential Programs provides home-like environments and supervision, care and training in independent living skills, functional academics and social skills. These programs include community residences and supervised apartments (both with 24-hour staffing) and cooperative apartments (with staff assistance less than 24 hours per day).

REPORT FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING & ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)

The Town of Plainville is a member of the Southeastern Regional Planning and Economic Development District. SRPEDD (pronounced sir-ped) is the regional agency serving twenty-seven cities and towns in southeastern Massachusetts dealing with common issues facing our region, such as economic development, growth and land development, transportation, environment, municipal partnerships, and general planning for the future. SRPEDD is governed by a Commission of local mayors, selectmen, planning board members and at large members. We are funded by federal and state grants and local assessments. For 2016 the Town of Plainville paid \$1,437.52 to SRPEDD, based upon an assessment of \$0.17395 cents per capita.

Local citizens serving at SRPEDD included the following:

SRPEDD Commission: Chris Yarworth

Joint Transportation Planning Group: Paul Scott and Jennifer Thompson

Technical assistance was provided to the Town in the following areas:

- Assisted Plainville with the Watershed Stream Continuity assessing the barriers to flows and fish passage created by bridges and culverts. (Foundation)

Some of SRPEDD's more significant accomplishments during 2016 were:

- The **Transportation Improvement Program**, which sets regional priorities for federal transportation funds, was completed and approved for FY 2017-2021.
- **Comprehensive Economic Development Strategy (CEDS) for Southeastern Massachusetts**, a regional economic development strategy, updated annually by SRPEDD and certified by the U.S. Economic Development Administration (**EDA**) maintains eligibility for the region's cities and town to receive EDA funding.
- SRPEDD continued to provide administrative and technical support to the **Taunton River Stewardship Council (TRSC)** through a Cooperative Agreement with the National Parks Service. The Council is a multi-community, multi-agency collaborative established through the designation of the Taunton River as a Federal Partnership Wild & Scenic River in 2009.
- In partnership with the TRSC, SRPEDD provides public education and stewardship opportunities to Taunton River Watershed communities, as well as access to local project funds through its Mini Grants Program.
- SRPEDD provides technical planning to two regional transit authorities, **SRTA and GATRA**, including route evaluations, rider surveys, performance standards and federal reporting. SRPEDD completed a Regional Transit Plan for GATRA that will guide transit improvements in the near future.
- SRPEDD finalized its **Regional Bicycle Plan**, including a thorough inventory of existing bicycling conditions and statistics, outreach to the public and communities regarding infrastructure needs, and recommendations on how to improve connectivity throughout the region.

- SRPEDD completed the **Regional Bus Stop Inventory** for all bus stop locations within the SRPEDD region for the GATRA and SRTA. Data collected for each stop will provide assistance toward a Bus Stop Capital Improvement Program to begin in 2017.
- SRPEDD conducts a **district-wide traffic-counting program** and maintains a computer file of available traffic count data throughout the region. SRPEDD undertook 144 traffic counts at various locations this past year.
- SRPEDD maintains a comprehensive database of all 372 **signalized intersections** in the region and conducted 56 turning movement counts at various locations this past year.
- **South Coast Rail** remained a major priority in 2016. SRPEDD continued to support the Southeastern Massachusetts Commuter Rail Task Force, which includes representation from SRPEDD municipalities and regional organizations. SRPEDD also provided technical assistance to communities through 17 projects that implement the South Coast Rail Economic Development and Land Use Corridor Plan.
- SRPEDD is a member of two National Estuary Programs (NEP) including the **Narragansett Bay Management Committee and Buzzards Bay Steering Committee**, created to protect the resources and promote the stewardship of their respective watersheds. The Buzzards Bay and Narragansett Bay Watersheds together encompass the entirety of the SRPEDD area. As a member of these oversight committees, SRPEDD participates in the development of their respective Management Plans for both programs.
- SRPEDD has been providing technical assistance to the **South Coast Climate Change Coalition** whose mission is to increase public awareness of the probable consequences of climate change, help communities incorporate resiliency planning, and take actions that help communities adapt to and minimize the consequences of climate change.
- SRPEDD continues as the lead agency for the **Resilient Taunton Watershed Network (RTWN)**. The RTWN is a collaborative of local, non-profit, regional, and state and federal government representatives interested in the future health and resilience of the Taunton River Watershed. The RTWN provides information, conducts outreach and educational efforts, resources and tools to protect existing natural resources, reduce flooding, promote restoration, and develop sustainability. (EPA)
- SRPEDD is a member of the Board of Directors of **Southeast Environmental Education Alliance (SEEAL)**. SEEAL is a non-profit organization whose mission is to help provide quality environmental education and stewardship opportunities to communities in southeastern Massachusetts. SEEAL runs a Mini-Grants Program to support local projects in addition to projects that address climate change, alternative energy, urban agriculture and youth conservation education.
- SRPEDD maintains an extensive **Geographic Information System (GIS)** mapping program. The mapping program contains a number of data layers including, land-use, zoning, water resources, soils, habitats, transportation network, economic development, priority protection and priority development areas, and other data and information.
- SRPEDD operates the **Southeastern Massachusetts Data Center**, providing information to businesses, cities and towns, and individuals.

- SRPEDD continues to represent the region as one of thirteen members across the Commonwealth of the **Massachusetts Association of Regional Planning Agencies (MARPA)**. Through its efforts and information exchange, the association assists member RPAs in responding to issues and needs that cross city, town, county, and state boundaries through planning, policymaking, communication coordination, advocacy, education, analysis, technical assistance and legislative support.

SRPEDD was established to serve the cities and towns of southeastern Massachusetts in response to ever-evolving planning-related issues and needs. The agency is governed by dedicated elected and appointed officials from each of its twenty-seven member municipalities (four cities and twenty-three towns), with planning services and technical assistance provided by a staff of twenty-three.

It has been a privilege working with your municipality over the years, and we look forward to continuing service and future collaborations.
