

How to reduce exposure:

- Read labels before purchasing - Labels explain how to safely use and store products
- Carefully follow directions on the proper use of the product
- Wear gloves when handling toxic chemicals
- Use in well ventilated conditions
- Keep children and pets away from harmful chemicals
- Choose safer and less toxic chemicals
- Dispose of chemicals at special collections
- Never dump on ground
- Don't stockpile hazardous products.

Other options to dispose of waste

- 👉 New England Disposal Technologies. Sutton, MA at: www.NEDT.org—800-698-1865
- 👉 Clean Harbors. Braintree, MA at: 781-380-7100
- 👉 Recycle waste oil at Autozone in North Attleboro. Call store for details at 508-699-4661
- 👉 Latex paint can be hardened then put in your regular trash
- 👉 See if a neighbor can use left over products such as fertilizers, pesticides, etc.
